## Dedication

*The word of God is alive and powerful, sharper than any two-edged sword, piercing even to the dividing asunder of the soul and the spirit, and of the joints and the marrow, and is a critic of thoughts and intents of the heart. (Heb 4:12) All Scripture is God-breathed, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness; that the man of God might be mature, thoroughly furnished unto all good works. (2Tim 3:16-17) Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. (2Tim. 2:1)*

This compilation of doctrinal principles is dedicated to my pastor of some 40+ years, Col. R. B. Thieme Jr., who, in my humble opinion, is one of, if not the, foremost theologian of the 20<sup>th</sup> century and most likely many others as well. Without his consistent undaunted dogmatic teaching of Bible Doctrine this document would not have been possible and I would most likely NOT have a clue about the Christian Way of Life. In his physical presence, mental acuity, supreme dedication to the word of God and overriding dogmatic veracity in the presentation of the doctrines of the bible he has been a life changing inspiration to myself and literally hundreds of thousands of other believers throughout the world. I, and these others I am sure, look forward to the honor of standing in ranks before the Judgment Seat of Jesus Christ as representatives of the “Berachah Battalion” who have grown up in the Spiritual Life as a result of his phenomenal grace teaching.

I would like to give special thanks to Pastor Robert Lyon who has been a constant stimulus and encouragement to me in putting this and other materials together as a consolidation of bible doctrine to enable others to assimilate or review.

## Preface

Before a believer begins to study anything related to bible doctrine he must name or acknowledge his sins privately to God the Father in order to be forgiven those and all other sins, to be placed again into fellowship with God and under the teaching and guiding ministry of God the Holy Spirit. 1<sup>st</sup> John 1:9 states, “If we confess (name or cite) our (known) sins, He is faithful and justified to forgive us our (known) sins and to cleanse us from all unrighteousness (unknown sins).” This will put the believer into fellowship with God and under the Filling of God the Holy Spirit in a state of Genuine Humility and teachability and ready to learn Bible Doctrine. If you have never personally expressed faith alone in The Lord Jesus, The Christ alone the issue is NOT naming your sins. The issue is nonmeritorious faith alone in Christ alone. “He who believes in the Son has Eternal Life; But he who does not obey the command to believe in the Son shall not see life, but the wrath of God abides on him.” (John 3:36)

If we are totally objective we must admit to having delusions about some things in life at some time. For myself there is ONE thing in this life which I have no delusions about, Bible Doctrine. Were it not for the teaching ministry of Col. R. B. Thieme Jr. and his consistent clear, concise and DOGMATIC presentation of the doctrines of the bible I would know nothing of orthodox fundamental biblical doctrine and the Christian Way of Life. I have no delusion about my knowledge, calling or spiritual gift; and, recognize that I could not do what he and many other pastors have done, and continue to do, in the constant studying and teaching of doctrine to their congregations. Over the years I have learned innumerable principles from these studies by Pastor Thieme. One of the most important things I have learned has been that “One’s rate of learning MUST exceed one’s rate of FORGETTING” in order to advance in the Spiritual Life or to maintain one’s level of spiritual growth. This amplifies the necessity therefore of constant consistent Post Salvation Epistemological Rehabilitation through Perception, Cognition, Incultation and Metabolization of Bible Doctrine and ultimately the application of it to life. It is my desire that this document be a source of consolidated doctrine to fulfill that very purpose.

This is a compilation from my notes on the principles directly derived from the lessons taught by my pastor, Col. R. B. Thieme Jr., in the period from the 1960s to the end of his ministry, in the studies involving the Book of John and many other lessons as well. Within these lessons he delineated a structure to be developed in the believer’s soul enabling him to weather the storms of life and execute to completion the Protocol Plan of God. In these studies the Colonel delineated 6 structural components for a “BUILDING” within the soul. However, during my studies I have discovered that he used differing doctrinal concepts as these levels at different times. I have decided to try to consolidate all of the teaching regarding what he called the Edification Complex of the Soul and have expanded the structure to include a foundation and 8 levels or floors of the “BUILDING” in the soul. All of these concepts were taught after many years of Pastor Thieme serving in his ministry of Studying and Teaching Orthodox Fundamental Biblical Christian Doctrine according to an Isogogical, Exegetical and Categorical method. With this in mind be conscious of the fact that some of the terminology, doctrine and principles presented here will be, at best, obscure and possibly difficult for the new or infant believer. It

took the Colonel many years to come to the point of being able to extract these doctrines and principles from the original languages of scripture so it should reasonably require some years of study by the believer under his type of ministry to be able to understand what is herein contained. To facilitate this understanding on the part of the reader I have linked segments of this document with others to enable the reader to review or recall concepts, principles, technical vocabulary and doctrines while reading. I have also included a Glossary of terms and sections of fundamental doctrinal principles and scriptural passages which I believe will help in this endeavor. Whenever I use references to terms found in the Greek, Hebrew, Latin or Aramaic languages I indicate them with the (gr), (heb), (lat) or (aram) as a precursor to the terms.

As one would expect, I have entered opinions and concepts of my own from what I have learned from my studies of Pastor Thieme's teaching of Bible Doctrine in later lessons, from later years and from life experiences and other current materials regarding ongoing historical and social trends. I have in addition not kept the organizational system of the Edification Complex of the Soul identical to what the Colonel had listed. The effort here on my part has been to expand the principles and consolidate them in order to provide a place where believers might go to acquire or review concise but detailed concepts related to building their Edification Complex of the Soul while living as a Christian. However, nothing contained herein is ever to be construed to have been originated by my personal abilities to extract doctrines from the scripture. Neither is this to be a substitute for consistent daily study under one's right Pastor Teacher in order to develop the momentum needed to reach and hold on to spiritual maturity, the ultimate objective of the Spiritual Life. I have taken the liberty of trying to only add pertinent examples of historical and social trends which I see occurring some time after these lessons elucidated them. If more details and reference passages are desired on the Edification Complex of the Soul or how these principles were derived the original lessons can be ordered from [R. B. Thieme Jr. Bible Ministries](#), P.O. Box 460829, Houston Tx. 77056-8829, or by phoning 713-621-3740.

My objective in presenting this compilation of Bible Doctrine does not include nor am I concerned as to whether it is considered good or bad, liked or disliked as a message but whether God the Holy Spirit can use the doctrinal content in the life of YOU the believer reading it. I have nothing to prove to anyone in life and it is only getting the message through to the YOU, the reader, that is important to me so that there is something for God the Holy Spirit to use. I have, in fact, attempted to organize these principles into discrete segments or categories. However, these principles resist any real attempt at separation into singular units being intricately interlocked into a system of construction to enable explicit understanding of God and prevent distraction from the Christian Way of Life. With this in mind understand that there will be duplication and repetition and one type of soul function cannot be distinctly separated and individually studied without relating it's impact on and from, very often, several others. However, as is clearly delineated in the chapter on Soul Functions and what the Colonel might have said on occasion: "REPETITION, REPETITION, REPETITION IS INVALUABLE SO GET USED TO IT AND ENJOY IT."

### **Introduction to the Edification Complex of the Soul**

From Salvation Adjustment to the Justice of God the soul of the believer LACKS something of GRACE and this is the Edification Complex of the Soul. The Bible depicts the process of strengthening of the soul in terms of erecting a structure or constructing a building in the soul. This process is called edification. An edifice is a building, and the Greek verb *oikodomeo*, “to edify,” is a compound from *oikia*, “house,” and *domeo*, “to build”. The believer therefore attains spiritual maturity when he completes the construction of the building or edifice of the Edification Complex in his soul and lives in the penthouse, the completed [State of Happiness](#).

### **Filling the Deficiency of the Soul**

In Ephesians Paul wrote “in order that we may be filled up with the fullness of God” this “Fullness of God” is the Edification Complex completed in your soul. ([Eph 3:19](#)) “That we might be filled with THE ALL THINGS” of the Escrow [Super – Grace](#) blessings for time and eternity. Therefore, the construction of the Edification Complex of the Soul is filling the Deficiency of the Soul and when it is completed the believer has reached [Maturity Adjustment to the Justice of God](#) and has developed the capacity for the 6 categories of Escrow Super – Grace blessings set aside for him in Eternity Past by God the Father. The foundation for the Edification Complex of the Soul is the Filling of God the Holy Spirit whose ministry is required for the believer to make any advancement in the Spiritual Life. Maintaining the [Filling of God the Holy Spirit](#) is based on the Perception, Cognition, Incultation and [Metabolization of Bible Doctrine](#) under the ministry of God the Holy Spirit using the [Grace Apparatus for Perception](#) in order to gain an understanding of the necessity for consistent use of the Rebound Procedure. Therefore, it is the PURPOSE of the Grace Apparatus for Perception to enable the believer to build a completed Edification Complex of the Soul in his soul constructed from MAXIMUM Metabolized Bible Doctrine accumulated into the Right Lobe of his Stream of Consciousness of the Soul. Thus the erection of the Edification Complex in the soul of the believer establishes a [Divine Viewpoint](#) Frame of Reference, Scale of Values and Norms and Standards as a result of the accumulation of the Metabolized Bible Doctrine which is needed to apply Bible Doctrine to every exigency in life. The Grace Apparatus for Perception is therefore the source of the construction materials used to build the Edification Complex of the Soul. ([Eph 4:12-13](#))

### **2 Spirits & the Edification Complex of the Soul**

2 “Spirits” are required for the function of the Grace Apparatus for Perception, Cognition, Incultation and Metabolization of Bible Doctrine:

- God the Holy Spirit who causes the Grace Apparatus for Perception to function only when he is in control of the soul of the believer. ([1John 2:27](#))
- The Human Spirit which is the target for the information gained from the functions under the Grace Apparatus for Perception. ([1Cor 2:12-13](#), [Rom 8:16](#), [Job 32:8](#))

Consequently the construction of the Edification Complex of the Soul requires function under

Stage 1 of the [Faith Rest Drill \(5 Stages\)](#), Faith Perception, consistently and persistently for daily Perception, Cognition, Incultation and Metabolization of Bible Doctrine under all situations and conditions in one's life. ([James 1:3-4](#)) Therefore, the Edification Complex of the Soul CANNOT be constructed in the soul of the unbeliever, first requiring a Human Spirit, which is created new by God the Holy Spirit at Salvation Adjustment to the Justice of God and second requiring the Filling of God the Holy Spirit which is only available to believers. Thus, the reality of the "soulish man" the unbeliever or non-christian being unable to understand spiritual things. ([Jude 19](#))

### **Grace Provisions for Development of the Edification Complex**

The believer is said to be "Grounded" ([Eph 3:17-19](#)) which is a reference to the permanence of the Foundation of the Edification Complex of the Soul provided for him at Salvation Adjustment to the Justice of God, with the result that ON THE FOUNDATION he can then continuously and systematically erect the "Floors" of the building of the Edification Complex of the Soul. At Salvation Adjustment to the Justice of God the believer is instantly the recipient of the ministry of God the Holy Spirit, the Filling of God the Holy Spirit, which is essential in forming the Edification Complex in the soul and he does not EARN nor DESERVE it. However, he can lose this ministry of the Filling of God the Holy Spirit through carnality but can also recover it through the use of the [Rebound Procedure](#). ([1John 1:9](#)) The point is that the execution or fulfillment of the Protocol Plan of God requires the Edification Complex of the Soul be constructed in the Right Lobe of the Stream of Consciousness of the Soul from Metabolized Bible Doctrine. Therefore, there is no experience involved in such construction. The emphasis is on the 'experience' of consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine ONLY. This Church Age dispensation is the stage of the intensification of the Angelic Conflict and it DEMANDS intensification of the Perception, Cognition, Incultation and Metabolization of Bible Doctrine and ALL experiences in the life are meaningless in the Spiritual Life and at best are simply beneficial Human Good Functions and Productions under the principles of EVIL and at worst distractions or deceptions from Bible Doctrine. The only true requirement for the believer in the Church Age is extreme Positive Volition toward Bible Doctrine and when this is present it will be maintained and extended during all of life's circumstances which results in Triple Compound Divine Good production. The emphasis has been for many decades in Christian circles for the believer to get out and [DO things for God](#), however, in reality, the first thing which should be occurring in the Christian Way of Life is consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine. The irony and incredible truth is that ALL of the emotional experiences and human efforts found in Christian circles today, the Rosy Glow functions, and helping better mankind's plight, can be just as easily experienced by the unbeliever WITHOUT the COMPLICATIONS of being involved in the intensified Angelic Conflict.

### **Divine Provisions for the Edification Complex of the Soul**

The divine provisions to enable the believer to individually construct his own Edification Complex in his own soul are Grace provisions and are based on the Grace Apparatus for Perception, Operation Z:

- Communication of Bible Doctrine from a permanent source

- This is the formation and preservation of the Canon of Scripture throughout history by the Grace of God despite having been constantly subject to the most fantastic satanic attacks. This “canon” is a standard or measuring device, the ultimate and final Authority in the Christian Way of Life.
- Authorization of the local church for communication of Bible Doctrine
  - This is NOT the authorization of a joining of pastors to form a “church” organizational structure known as a “Denomination” nor for alternative “Christian” organizations overriding the individual local church without even a single Pastor Teacher involved.
- The Spiritual Gift of Pastor Teacher for men to provide the teaching of Bible Doctrine to a congregation after proper preparation.
  - There is absolutely NO authorization in the scripture for a woman to be teaching Bible Doctrine to adults in any form or group. Neither should the evangelist try to function as a Pastor Teacher. Every individual local church should have ONLY one man with the spiritual gift of Pastor Teacher functioning to study and teach Bible Doctrine to his congregation using the process of Isagogic, Categorical and Exegetical analysis OF THE ORIGINAL LANGUAGES OF SCRIPTURE. Just as there is a right man for ever woman and vice versa, there must be a right pastor for ever believer and congregation. The Spiritual Gift of Pastor Teacher, as the ONLY communicator of Bible Doctrine in the local church, FEEDS Bible Doctrine into the Grace Apparatus for Perception for the individual believer.
- The Royal priesthood of the believer to guarantee privacy for the Reception of communicated Bible Doctrine as a provision of the Grace of God.
  - Every individual believer priest has a right to take in Bible Doctrine in privacy and accept or reject it according to his own volition. This clearly invalidates ANY system of 1 on 1 teaching or counseling or using a systematic evaluation system.

### **The Fulfillment of the Soul**

The Edification Complex of the Soul is the fulfillment of the soul which is saved at Salvation Adjustment to the Justice of God but which lacks something of Grace and is not (gr) PLEROO, a state of fullness or completeness, until the Edification Complex of the Soul is completed. There is a logical order of building and development of the individual floors of the Edification Complex of the Soul, but they are by no means constructed strictly sequentially and the development of one floor may depend on the simultaneous development of one or more of the other floors. Several or even ALL of the floors may in fact be in the process of construction at the same time. However, the order of the initial construction of the Edification Complex of the Soul totally depends on what Bible Doctrine the believer learns first in his Spiritual Life and how that relates to his background and personal character. One believer may begin to orient to the details of life properly or begin with development of a gracious character or a build up a Relaxed Mental Attitude and develop the other areas around that starting point. However, the complete development of perfect inner happiness and contentment, Sharing the Happiness of God, is definitively the penthouse of this soul edifice because its completion is dependent on the development of all the other floors.

There are unbelievers who are extremely gracious people who treat others on the basis of their own character and integrity rather than on the basis of what these others have earned or deserved based on their own practices in life. This person having a background of graciousness, when he begins the intake of Bible Doctrine, he naturally orients first to Grace and uses the Bible Doctrine to build on this level first. Another person comes from a background where he did not have a lot of material means and where he was taught to be frugal so the importance of having the details of life was never an issue to him and it would be very easy for these people to take Bible Doctrine and begin to build this area in the Edification Complex of the Soul first. Therefore, the unbeliever can master the details of life or have a level of orientation to people through graciousness to some degree or can develop a level of happiness from his adherence to the Laws of Divine Establishment and Divine Institution or built a capacity to Love another and thus begin to develop his Edification Complex of the Soul, when he initially engages in the Perception, Cognition, Inculcation and Metabolization of Bible Doctrine, in that specific areas first.

### **The Pseudo Edification Complex of the Soul**

There also can be in the unbeliever the potential for developing a Pseudo Edification Complex in his soul based on his Left Lobe of the Soul being internally structured based on the information obtained from his secular background, upbringing, education, employment histories, all of life's experiences. However while the true Edification Complex of the Soul is constructed from the principles and categories of Metabolized Bible Doctrine in the Stream of Consciousness of the Soul the Pseudo Edification Complex of the Soul is built up from Academic Knowledge, (gr) Gnosis and EMOTION.

### **The Structure of the Human Soul**

- ◆ Frame of Reference = a conceptual structure of the Soul's right lobe in which technical theological terminology, doctrinal principles and categories of scripture are initially deposited and where they are, like pieces of a puzzle, placed into their proper place to form a picture, Divine Viewpoint, for the Spiritual Life of the Church Age.
- ◆ Memory Center = the area for storage of Bible Doctrine for Recall, and the source Bible Doctrine for circulating during Recall and modification of the content of the soul.
- ◆ Vocabulary Storage = is a system of memory integration and the relationship of principles and concepts to individual words.
- ◆ Categorical Storage = is the classification of Bible Doctrine based on the similarities of its subject matter.
- ◆ Conscience = the Norms and Standards and Scale of Values of the Right Lobe of the Soul based on Metabolized Bible Doctrine stored in the Memory Center and Categorical Storage areas and the modified conceptual structure in the Frame of Reference.
- ◆ Momentum Compartment – Spiritual Growth = the sphere of motivation for Spiritual Growth which results in [Progression in the Sophisticated Spiritual Life](#) for the [Church Age](#) and systematic Execution of the Protocol Plan of God resulting in Glorification of God.

- ◆ Wisdom Compartment – Application Area = The area from which application of Metabolized Bible Doctrine occurs and is the direct contact of the compartments of the soul with the Forward Line of Troops of the SOUL in order to develop and deploy the [10 Problem Solving Devices](#).

### **Right vs Left Brain – Right vs Left Lobe**

The soul is composed of at least four invisible but real parts:

- Self-consciousness, [Acts 20:10](#)
- Mentality, [Prov 19:2](#)
- Volition, [Acts 3:23](#)
- Emotion, [Luke 12:19](#)

The mentality of the soul is divided into two parts: the left and right lobes. The right lobe is where you do your thinking, analyzing, applying of knowledge, and is the seat of common sense. The left lobe is your place of assimilating information and the area where your talent functions. Brain scientists indicate that two persons inhabit one's head, each residing in the two separate hemispheres of the brain. According to scientists, one is verbal, analytical, and dominant, while the other is artistic, musical, and non-dominant. Scientists name the non-speaking or mute side as the right hemisphere however the Bible names it the left lobe and the verbal hemisphere as the right lobe, opposite to what scientists name the brain hemispheres and most likely based on a viewpoint perspective with scientists looking from within and the Bible from without. The two half brains are linked together by millions of nerves forming a thick cable called the corpus callosum which when severed or damaged results in the left side of the brain no longer knowing what the right side is doing. However, the speaking half of the patient is controlled by right lobe so that the person still insists on finding excuses for whatever the left side has done. His thinking part is severed from his non-thinking part and still operates under the illusion that he is one person, and that his lobes are combined. Normally the two halves of the brain are integrated into a single mentality with the speaking half, the Right Lobe being called (gr) Kardias, the "heart" by the Bible. The heart, (gr) Kardias, is part of the essence of the soul; it is the thinking, reasoning part. It is designed to dominate the soul. Therefore, it must be the ultimate target for doctrinal teaching. ([1Kings 3:9-12](#); [Ps 119:11](#), [Ps 19:14](#)) However, to reach this target, Bible Doctrine must first pass through two staging areas: the Human Spirit and the Left Lobe of the Soul.

### **The Essence of the Biblical Heart**

The heart is a metaphor for the right lobe of the soul. Just as the heart circulates blood through the physical body, so the Right Lobe of the Stream of Consciousness of the Soul circulates metabolized doctrine in the spiritual body of the human soul.

### **Frame of Reference**

The Frame of Reference is the conceptual structure in the Right Lobe of the Soul to which doctrines, principles, and categories of Scripture are related. It is the entrance or antechamber of the Right Lobe of the Soul as the first place where accepted or metabolized Bible Doctrine

goes. This occurs because knowledge is built upon knowledge; truth is built on truth, Bible Doctrine is built upon Bible Doctrine, so that one must learn from the simple to the complex. In the Frame of Reference, information enters, is analyzed and compared to former content and then can be processed out to be circulated through the other parts of the soul to modify the content of the soul compartments. The simple principles will be the foundation in the Frame of Reference for building complex principles involved with systematic theology. In essence, spiritual growth results in systematic theology being structured into the compartments of one's soul. The Frame of Reference is the location where the information for the 10 Problem Solving Devices for the Church Age are developed and then categorically stored in the Right Lobe of the Soul and deployed onto the Forward Line of Troops of the soul. Metabolized Bible Doctrine contained in the Frame of Reference is the basis for the construction of the Edification Complex of the Soul based on information arranged and stored in the memory center, vocabulary storage and categorical storage areas. It is also the basis for the execution of the protocol plan of God; therefore, it is the basis for the Glorification of God and for the manufacturing of invisible heroes out of mature believers in this Church Age. The accumulation of Metabolized bible doctrine in the Frame of Reference increases one's Spiritual IQ and provides the basis for learning more advanced doctrines. Metabolized Bible Doctrine in one's Frame of Reference provides his divine viewpoint perspective, and it begins to shape his mental attitude for the conflict between divine and human viewpoint, which is a constant struggle throughout one's Life. It is the Metabolized Bible Doctrine in the Frame of Reference from which the motivation for consistent advancement in the protocol plan of God comes. It creates motivation for learning more doctrine which in turn results in increased momentum and greater motivation to learn more Bible Doctrine which eventually leads to execution of the Protocol Plan of God. Therefore, the Right Lobe of the Stream of Consciousness of the Soul is the source of Concentration and the ability and motivation for concentration starts within the Frame of Reference. ([Prov 4:4](#)) There is no way for the believer to understand all that God has prepared for him apart from his accumulation of Metabolized Bible Doctrine into his Frame of Reference as a result of consistent function under the Grace Apparatus for Perception. ([1Cor 2:9-10](#)) The Frame of Reference also constructs an Instant Reaction Force in the Right Lobe of the Stream of Consciousness of the Soul or a red-alert system, from metabolized doctrine, so that the believer can discern what is true and what is false in the communication of Biblical information. It is the Metabolized doctrine in the Frame of Reference which has been formed into the 10 Problem Solving Devices which when circulated through the compartments of the soul is then deployed onto the Forward Line of Troops of the soul as the Instant Reaction Force to enable the believer to [Resist](#) the attacks of Satan and his Cosmic Dynaspheres.

This alert system of the Frame of Reference's is Essential in the Christian Way of Life because the believer must learn to avoid error, falsehood, con artists in the spiritual realm, false teachers, and phony Christian service which is used to con believers into neglecting Post Salvation Epistemological Rehabilitation. Metabolized Bible doctrine in the Frame of Reference, Memory Center and Categorical Storage areas produces [Recall](#) of Bible Doctrine which is directed from the Wisdom Department of the Soul in application to the various situations and circumstances of life. ([Lam 3:20-25](#)) It is the Frame of Reference which provides the basis for effective communication of Bible Doctrine in witnessing. The Frame of Reference provides capacity for life, happiness, blessing, success, prosperity, and promotion. [Ps 119:6](#) demonstrates that the Frame of Reference works closely with the Vocabulary Storage, Memory Center and Categorical Storage in orienting the believer to God, his Plan and Life in general.

### **[Memory Center](#)**

While the Frame of Reference is the location for the classification of Bible Doctrine, the memory center is the sphere for storage of repeated Bible Doctrine and the subsequent Recall of Bible doctrine from all areas of the stream of consciousness of the soul. A Bible Doctrine has not been inculcated until one cannot forget it! The principle is that the rate of learning must always exceed the rate of forgetting. Therefore, [Retaining](#) doctrine is a matter of balancing out the rate of learning and the rate of forgetting. Consequently, the extreme importance of the inculcation of Bible doctrine from consistent repetition. When the rate of learning is greater than the rate of forgetting, the total quantity of metabolized doctrine increases both in the Frame of Reference and in the Memory Center. When the rate of forgetting is greater than the rate of learning, then the total quantity of Metabolized Bible Doctrine decreases both in the Frame of Reference and Memory Center, and also in circulation throughout the rest of one's stream of consciousness. Therefore circulation of metabolized doctrine throughout the entire stream of consciousness decreases resulting in a decrease in the ability to apply that Bible Doctrine to the exigencies of life. The Memory Center is the circulation link between the Frame of Reference and the other five compartments of the stream of consciousness of the soul. ([Lam 3:20-23](#); [Ps 119:6](#)) Thus when Bible Doctrine is repeated and inculcated the believer develops a personal treasury of Bible doctrine circulating in his Stream of Consciousness of the Soul and this is a treasury which cannot be destroyed.

Therefore, Recall is necessary for the application of doctrine to experience, for worship, for Prayer, for training the Christian reflexes, and is the basis for structuring and the function of the Problem Solving Devices. The memory center, after much repetition, stores and circulates Bible doctrine into the various parts of the right lobe thereby producing Bible Doctrine associations which generate this Recall. The believer will associate things in his Frame of

Reference and then remember them from the function of circulation of Bible Doctrine out of the memory center. Recall is therefore synonymous with the application of Bible doctrine to experience and therefore a part of wisdom (gr) Sophia. Consequently, Recall is the basis for the function of all ten of the Problem Solving Devices. Simple solutions like the [Rebound Procedure](#) require only 1 verse, [1John 1:9](#) so that the situation of Sin, which occurs constantly, can be very short lived and have a very simple solution. However, complex solutions to more complex problems require complex Recall which can only occur after more advanced principles and categories of Bible Doctrine have been learned. As an increasingly more complex solution Recall is the basis for the function under the [Faith Rest Drill \(5 Stages\)](#) where complex [Doctrinal Rationales](#) must be extracted from learned, stored and categorized Bible Doctrines. Recall has nothing to do with whether or not one has a good memory as a human being. It has everything to do with the inculcation of doctrine and consistency in the function under the Filling of God the Holy Spirit and Grace Apparatus for Perception. In order to store and then Recall for application any doctrine the believer must hear it hundreds of times and the more he hears it, the sooner he will apply it.

The believer can only apply what he has already learned. Therefore, Recall is the application of (gr) Epignosis or Metabolized Bible Doctrine stored and circulating in the right lobe of the soul to the situations and circumstances of life, this is Wisdom (gr) Sophia in the Christian Way of Life. ([Lam 3:20-24](#)) It is therefore the Recall from memory which brings about the development of Humility as [Foundational Virtue](#), the underlying basis of function in the spiritual life? ([Lam 3:21](#)) [Ps 119:6](#), reflects the thinking of the young Jews on the long march from Jerusalem to Babylon after the Assyrian defeat of Israel, during which they were terribly treated and constantly abused. They had heard the Bible Doctrine possibly from Ezra who was along with them and were by Grace able to Recall it under the most awful circumstances in order to allow them to endure the abuses of their captivity. ([Ps 119:109](#)) It is a combination of the Frame of Reference, the Memory Center and Categorical Storage which results in the Recall of Bible Doctrine. The context of this passage ([2Cor 10:4-6](#)) is the Angelic Conflict, and the issue is the weaponry provided for the believer by God for his constant spiritual battles. Therefore, the believer is to engage in consistent Bible Doctrine study to arm himself spiritually and all of this weaponry provided for the believer by God is all in one arsenal, the [Divine Dynasphere](#).

Recall is also necessary for the creation of the “Mirror in the Soul” within which one’s true self can be observed and reflected upon and ultimately revised or restructured. Recall is necessary for the function of the spiritual reflexes of the [Sophisticated Spiritual Life](#). These “Spiritual Reflexes” are systems which take accumulated principles which have been

extrapolated from Bible doctrine and use them on an instantaneous response basis. They are first used to reinforce the Promises of God and later, after further spiritual growth, to form [Bible Doctrine Rationales](#) and come to Bible Doctrine Conclusions to resolve any situations or circumstances in one's life. In an instant of time the advancing and mature believer comes up with the right principle, the right answer, the right concept, and makes the right decisions and moves. However, the Memory Center content can be and is destroyed by the build up of Scar Tissue of the Soul from the degradation of the Spiritual Life which occurs as one slides down through the 8 stages of [Reversionism](#).

### **Vocabulary Storage.**

This is the place where thinking develops and where technical words are stored with their clearly defined associations which develop new ideas. The vocabulary of Bible doctrine is of supreme importance because one cannot ever think beyond his vocabulary therefore one's vocabulary must consist of more than profanity and slang. Vocabulary is a system of individual terminology in memory. One word can be brought to mean a great many things so that it can cause the function of Recall of Bible Doctrine principles bringing the correct answers at the proper times thus providing a most advantageous situation. Vocabulary storage is therefore a dictionary in the believer's soul. ([Jer 15:16](#)) Moses established the fact that the absolutes of Bible doctrine are composed of words. The absolutes of Bible doctrine must become spiritual thinking composed of words. ([Deut 8:3](#)) This Vocabulary Storage is therefore the location of all technical theological nomenclature, biblical metaphors, teaching acronyms through which Bible doctrine is classified and ultimately categorized for instant Recall. The believer must learn the technical meanings of such vocabulary as "Rebound, Faith-Rest, Dispensations, Hypostatic Union, Protocol Plan of God, Portfolio of Invisible Assets, Substitutionary Spiritual Death, Common and Efficacious Grace, Election, Predestination, Absolutes vs Relatives or Variables, the Baptism of God the Holy Spirit, and a myriad of other technical theological terms. This brings into clarity the Christian Way of Life and the purpose and function of the individual believer therein. The point is that after making Salvation Adjustment to the Justice of God the believer is a spiritual infant and just like the human infant must learn a vocabulary with which to think, express, apply and thus utilize Bible Doctrine in his life. The main problem in the Christian Way of Life is that the believer cannot think in terms of the GRACE nor the Plan or Purpose of God without proper vocabulary. As with all aspects of learning, technical Vocabulary related to the Spiritual Life and Bible Doctrine is perceived and understood academically in the left lobe of the soul and only transferred to the right lobe when it is accepted.

In addition one's capacity for life is related to vocabulary as well. Concepts are first learned in the left lobe where they are stored in the vocabulary storage of the Left Lobe of the Soul for Academic Applications but the principles of biblical doctrine are meaningless and useless in the Spiritual Life until they have been accepted by FAITH. Once accepted then they are transferred, by the ministry of God the Holy Spirit, to the right lobe where they are able to modify the Frame of Reference, Memory Storage and enter into Vocabulary Storage to allow greater principles to be accessed and understood by the Recall of a single word or short phrase. After making [Salvation Adjustment to the Justice of God](#) the new believer must learn a new vocabulary of technical spiritual or theological words in order to enable thinking in the Spiritual Life and application of the principles of Bible Doctrine to circumstances and situations in his life. ([Jer 15:16](#), [Deut 8:3](#), [Matt 4:4](#)) It is only when Bible doctrine understood by the use of a technical vocabulary is constantly circulating in the Stream of Consciousness of the Soul through the teaching ministry of God the Holy Spirit under the Grace Apparatus for Perception that the believer has the power of the Word of God for instant use in his life. The underlying truth and primary principle of the Christian Way of Life is that if the soul is not filled with Metabolized Bible Doctrine then it is filled with the principles and concepts related to the Cosmic Dynaspheres, EVIL.

### **Categorical Doctrinal Storage.**

The Categorical Storage area coordinating with the Frame of Reference, Memory and Vocabulary Storage areas classifies Bible doctrine according to subject matter. This organization and categorization of Bible Doctrine is illustrated by the categories of, the [Mechanics of the Spiritual Life](#), the [10 Problem Solving Devices](#), the [Faith Rest Drill \(5 Stages\)](#), the [Divine Dynasphere](#), etc. This results in the formation of an established system for the function of the believer in the spiritual life designed for one thing, to have Metabolized Bible Doctrine circulating constantly in one's Stream of Consciousness of the Soul as a result of the Filling of God the Holy Spirit moving the Bible Doctrine from one compartment of the soul to another altering and modifying the soul and building an eternal treasure in the soul. Therefore, Technical Biblical Vocabulary and Categorical Organizations of Bible Doctrine are absolutely essential for understanding the mechanics of the spiritual life and causing spiritual growth or advance.

This can also be found in the Left Lobe of the Soul for the storage and circulation of any technical concepts or categorical information in any secular area of life. With regard to (gr) Epignosis or Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul, principles and technical words related to Bible Doctrine are remembered and these are put together into categorical subject matter arrangements and stored in the Categorical Storage area of the Right Lobe of the Soul. This occurs as a result of comparing Scripture with Scripture, so that certain subjects are brought together in the divisions of doctrine for the purpose of classification. In the various parts of Scripture, the ideas and principles of Bible Doctrine are

covered from different viewpoints or perspectives but are still part of the same overall subject and thus can be collected as a categorical representation of an overall principle of Bible Doctrine. Being able to develop categorical composites of Bible Doctrine is the basis for development of cognitive independence in [Progressing through Spiritual Adulthood](#).

Categorical Doctrines are divisions of fundamental concepts of Bible Doctrine to which all knowledge of doctrine can be reduced for the purpose of classification of specific subjects and subject matter in the Word of God. Categorical storage is the basis for conceptualism in post salvation epistemological rehabilitation, the Perception, Cognition, Incultation, Metabolization and Application of Bible doctrine under [Operation Z](#). Therefore, the development of both technical theological vocabulary and categorical storage of Metabolized Bible Doctrine are essential to spiritual growth and the execution of the Protocol Plan of God. ([Prov 2:2](#)) The individual must learn to think with principles and categories and without this there is tremendous loss of capacity for life. People are generally very limited in what they think and in their enthusiasms. For the unbeliever and negative believer their enthusiasms are really based on stimulation rather than on the [Thinking Skills](#). Therefore, the souls of most people are shut down and they have no creativity to put different categories of thought together. This readily overflows into the Christian way of life. With sufficient Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul and by comparing Scripture with Scripture, specific subjects are brought together in the divisions of Bible Doctrine and formed into ‘Categories’ of thought or DOCTRINES for the purpose of classification and utilization.

The simple requirement for all of this is Positive Volition toward Bible Doctrine. Making self available to the expository teaching of Bible Doctrine from a qualified and prepared Pastor Teacher. This fulfills the analogy of the “heart” of the soul, pumping Metabolized Bible Doctrine through the Frame of Reference to the memory centers, vocabulary storage and categorical storage areas to be able to then [Recall](#) the Bible Doctrine for Application to situations and circumstances in one’s life. ([Prov 2:10](#), [Prov 3:3](#)) This Metabolized Bible Doctrine, as it circulates through the compartments of the Right Lobe of the Soul, systematically and progressively develops the [Problem Solving Devices](#). ([Prov 15:14-15](#), [Prov 18:15](#)) Consequently, consistent Positive Volition toward Bible Doctrine constantly SEEKS Bible Doctrine to be inculcated and metabolized and this results in Spiritual Growth.

Therefore Categorical storage is the putting together of words or vocabulary into sentences, sentences into paragraphs, paragraphs into chapters, chapters into books, etc. It is cognizance of the various doctrinal categories used to communicate information to the believer. The point is that all advanced knowledge is built on basic knowledge. Simple categories of Bible Doctrine

lead to the more complex categories and more advanced knowledge for the classification of more advanced Bible Doctrine categories. Therefore understanding Bible Doctrine categorically becomes the basis for greater and greater application of that Doctrine. It is easy to mix the promises listed in scripture with faith in the basic operation of the Faith Rest Drill (5 Stages), but to take a complicated problem in your life and apply Problem Solving Devices and various concepts, principles and various categorical [Rationales of Bible Doctrine](#) to it requires a greater use of one's right lobe. Eventually, as the believer progresses through Spiritual Adulthood the greatest problems are resolved by more complete categorical application of Bible Doctrine through the later stages of the Faith Rest Drill (5 Stages). Using the Faith Rest Drill, a promise is claimed to stabilize the thinking then a principle of Bible Doctrine is attached to that promise and this is used to develop a Bible Doctrine rationale from which solid spiritual conclusions are derived to control and overcome the problem.

Therefore, the Frame of Reference, memory, vocabulary and categorical storage areas are all essential for epistemological rehabilitation to occur. Cognition of a technical vocabulary of Biblical theology is necessary for the fulfillment of the protocol plan of God which can only be explained in terms of [spiritual mechanics](#). The words or terms and their related principles must be stored as subject categories in the Right Lobe of the Stream of Consciousness of the Soul in order to be available for application in one's life. In addition, the Categorical Storage of Bible Doctrines is also essential for handling accurately the Word of Truth. ([2Tim 2:15](#)) It is essential in the interpretation of Scripture, as is clearly illustrated by categories such as Dispensations, Salvation Adjustment to the Justice of God, Logistical Grace, Metabolization of Bible Doctrine, etc. The principle of Categorical Storage is provided and explained in [Prov 2:2](#), [Prov 2:10](#), [Prov 18:15](#), [2Tim 2:15](#).

### **Conscience**

The Conscience in the Right Lobe of the Soul is the compartment of norms, standards and the priorities forming a Divine Viewpoint Scale of Values related to the Absolutes of Bible doctrine. The concept for Conscience comes from the word (gr) Suneidesis, which means 'to know with an absolute standard'. The English word 'Conscience' comes from two words (lat) Con & (lat) Sciari, which combines to mean 'to know with'. Conscience is therefore defined as the mental faculty by which one distinguishes between right and wrong and thereby makes all distinctions related to those concepts. With regard to the Right Lobe of the Soul and the Spiritual Life this must occur under the Filling of God the Holy Spirit, which motivates the believer to do what is right under the structure and function of the Protocol Plan of God and restrains him from doing what is wrong, under the structure and functions of the Cosmic Dynaspheres based on EVIL.

When effective function for Post Salvation Epistemological Rehabilitation occurs in the Spiritual Life Bible Doctrine enters the Frame of Reference in the Right Lobe of the Soul and becomes part of a Technical Spiritual Vocabulary. From this doctrine, which is circulated throughout the Right Lobe of the Soul the believer establishes his Divine Viewpoint Norms and Standards and Scale of Values which are then categorized and moved into the categorical storage of the Right Lobe of the Soul. The absolutes of the developed Conscience are therefore the direct result of Metabolized Bible Doctrine accumulated into the Right Lobe of the Stream of Consciousness of the Soul. Whenever the believer functions in an antithetical way regarding the Divine Viewpoint Norms and Standards of his Conscience, he enters into the fragmented spiritual life where he functions under [Motivational and Functional Arrogance](#) under control of the trends and lust patterns of his Old Sin Nature.

The Conscience is divided into two parts, one in the Left Lobe of the Soul and one in the Right Lobe of the Soul. Secular or temporal Norms and Standards and Scale of Values are developed in the Left Lobe of the Soul based on (gr) gnosis or academic knowledge related to life and one's background, upbringing, education and all of life's experiences. Biblical or spiritual Norms and Standards and Scale of Values are developed within the Right Lobe of the Stream of Consciousness of the Soul ONLY from Metabolized Bible Doctrine. The Norms and Standards of the soul are the basis for ALL decisions an individual makes in his life. The point is, "The Decisions one makes determines the Life he Lives" and these are based on which set of Norms and Standards he uses for these decisions. Decisions based on Bible Doctrine Divine Viewpoint Norms and Standards are Good Decisions from a position of Strength as a result of consistent residence and function in the [Power System of God](#), the Divine Dynasphere. The promises, concepts, principles and categories of Bible Doctrine accumulated in the Right Lobe of the Soul are used to extrapolate Norms and Standards which then modify and are stored in the Conscience as reference points for the function in one's life. Decisions based on one's background temporal life or Human Viewpoint are bad decisions from a position of weakness as a result of residence and function in the Cosmic Dynaspheres, the systems of Evil used by Satan to rule this world. It is the vocabulary and categories of information stored in the Right Lobe of the Stream of Consciousness of the Soul, based on Metabolized Bible Doctrine, which are used to develop Norms and Standards and a Scale of Values which are then stored in the Conscience of the soul to guide one's decisions in life. Therefore, the Conscience becomes the residence for the priorities of one's soul. ([Dan 1:8](#), [Rom 2:14-15](#), [Rom 9:1](#), [Rom 13:5](#); [1Cor 8:7](#); [2Cor 4:2](#), [2Cor 5:11](#); [Tit 1:15](#); [Heb 9:14](#)) The Conscience with its Norms and Standards and Scale of Values is what causes the individual to orient to whether he is doing something right or wrong.

Therefore, from the Norms and Standards located in the Conscience of the Right Lobe of the Soul are developed individual priorities in life which form one's Scale of Values. Therefore, false Norms and Standards in the Conscience can cause spiritual weaknesses. ([1Cor 8:7](#)) However, the one, with a weak Conscience and with distorted or false Norms and Standards, assumes he is strong because the resultant Legalism always assumes it is strong while in reality being extremely weak. Therefore, a strong Conscience has Biblical Norms and Standards from Metabolized Bible Doctrine saturating the Right Lobe of the Stream of Consciousness of the Soul. The problem for every believer is that if principles derived from Bible Doctrine do not feed the Conscience to develop effective Divine Viewpoint Norms and Standards then background information as Human or Cosmic Dynasphere Viewpoint will be used instead and this rapidly develops Legalism.

The spiritual Norms and Standards located in the Conscience of the Right Lobe of the Stream of Consciousness of the Soul are directed toward both God and mankind, but the temporal Norms and Standards of the Left Lobe of the Soul are directed primarily toward mankind. This does not change until the individual becomes aware of the existence of God at God Consciousness and exercises Positive Volition toward knowing Him. ([Acts 24:16](#), [2Cor 4:2](#)) The believer, and also the unbeliever as well, must initially develop their Norms and Standards from Bible Doctrine principles related to the Laws of Divine Establishment and Divine Institutions and therefore must submit to legitimate authority in order to develop Humility as basic virtue. ([Rom 13:5](#)) In this way the individual does not refrain from criminal activity because he's afraid of going to jail, but because, with a strong Conscience, his Norms and Standards refuse to let him even consider any criminal activity. The Conscience of the believer is also a motivator, ([2Tim 1:3](#)) and thus has impact regarding prayer as an application of Bible Doctrine, therefore one does not only pray for people he likes but for others known or unknown, liked or disliked, based on his Conscience motivation, which is the strongest possible motivation.

The Conscience in developing categories of what is right and wrong always provides the individual with options. One is never in control of his life unless he has options. Very often people paint themselves into corners in life where they have no options. The greater the accumulation of the absolute truths of Bible Doctrine in the Right Lobe of the Soul the more one knows what is right and what is wrong and therefore the greater become his options. Therefore, by rejecting what is wrong, the believer makes good decisions which increases his options. It is the Norms and Standards in the conscience based on Metabolized Bible Doctrine which are the basis for All Good Decisions. All wrong decisions are bad decisions based on the influence of Evil and create one's own problems and suffering in life and result in limiting one's options in life.

The Conscience is also related to unjust and unfair treatment. ([1Pet 2:18-19](#)) Often people in authority are perverse, but the believer is still responsible to submit to their authority and do his best job as unto the Lord. This is the believer who has a strong Conscience based on Metabolized Bible Doctrine in the Right Lobe of the Soul but the weak believer with a weak Conscience based only on background or Human Viewpoint Norms and Standards complains and rejects authority, and so becomes a loser. It is ONLY the Conscience based on principles of Bible Doctrine regarding the Laws of Divine Establishment, Divine Institutions, and for the believer especially Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul which allows him to be able to handle unjust treatment in the same manner that he handles fair treatment.

The Conscience is also extremely important in overcoming the testing of suffering for blessing, ([1Pet 3:14-16](#)) delineated in the [Testing Envelope](#) of the Divine Dynasphere. All areas of testing require the use of the [Problem Solving Devices](#) and placing the difficulties onto the docket of the Supreme Court of Heaven for resolution based on the Norms and Standards of the Conscience and NOT taking matters of vindication into one's own hands.

Apostasy in believers is related to a Conscience that has been destroyed. ([1Tim 4:1-2](#)) This results from false teaching and distortion of Bible Doctrine which sears the Conscience like a branding iron damaging the Stream of Consciousness of the Soul thus producing [Scar Tissue of the Soul](#) and deep entanglement in the Cosmic Dynaspheres. The strength of the believer is based on his Frame of Reference and Norms and Standards thus having proper Norms and Standards in the Conscience is the means of avoiding the Apostasy of [Reversionism](#) and Degeneracy of the [Interlocking System of Arrogance](#).

The Conscience of the positive believer is caused to avoid dead human effort works through the Substitutionary Spiritual Death of Christ on the cross. ([Heb 9:14](#)) There is no human effort work which can be performed for salvation because salvation is a Grace provision from God excluding any effort on the part of man. Therefore, the believer's Conscience must be cleared of the need for dead works, he cannot assume that things he does in this life, while out of the Plan of God, the Divine Dynasphere, and not under the power of the Filling of God the Holy Spirit, will provide any benefit for him before God. All these dead Human Good works or efforts will be burned for the Church Age believers at the Judgment Seat of Christ. Execution of the Protocol Plan of God in the great power experiment of the Church Age demands the use of the omnipotence of God the Holy Spirit inside the Divine Dynasphere. Human power,

Human Good efforts, destroy the Conscience because they are dead works not being performed within and not being a part of the function in the Plan of God.

### Application of the Conscience

Accusing and defending oneself to oneself is the function of the Norms and Standards of the Conscience of the believer looking into the mirror of the word of God in the soul. ([Rom 2:15](#), [Acts 23:1](#), [1Tim 1:19](#)) However, the Conscience of the unbeliever, living under the Arrogance Skills, haunted by Strong Delusion, destroyed by Unrealistic Expectation, is described as defiling or being defiled in [Tit 1:15](#). This defiling of the Conscience is illustrated in [Rom 1:18-23](#). It is ONLY Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul which builds up a Divine Viewpoint Conscience and then maintains these Norms and Standards. ([1Tim 3:9](#), [1Pet 2:19](#), [1Pet 3:16](#)) The believer in reversionism destroys his Conscience through the development of Scar Tissue of the Right Lobe of the Soul. ([1Tim 4:1-2](#)) The branding iron is the rejection of Absolute Truth which results in the development of Scar Tissue in the soul and can occur in both believer and unbeliever upon rejection of the Laws of Divine Establishment and Divine Institution and the realm of Bible Doctrine for the believer.

There is a precedence for the development of a proper conscience with Divine Viewpoint Norms and Standards based on the humanity of Christ in the dispensation of the hypostatic union. ([Heb 9:14](#)) The believer is to serve the living God and this is to be accomplished by advancing in the Spiritual Life by means of the Filling of God the Holy Spirit. This results in the accumulation of a maximum level of Metabolized Bible Doctrine in the Right Lobe of the Soul. This Metabolized Bible Doctrine the causes the deployment and deploying of doctrinal principles found in the Problem Solving Devices onto the Forward Line of Troops of the soul. In this way then the believer engages in the proper and effective application of Bible Doctrine through function and orientation under the Divine Viewpoint Norms and Standards of the conscience.

### Momentum Department – Spiritual Growth.

This is the sphere of spiritual growth which is momentum inside the Divine Dynasphere under the enabling power of the God the Holy Spirit and accumulated Metabolized Bible Doctrine. ([Eph 1:17](#)) As a result of having doctrine in the Frame of Reference, moving it into the Memory Center, Vocabulary and Categorical Storage and developing a Conscience with Divine Viewpoint Norms and Standards, the believer then has a growth factor from the accumulated Metabolized Bible Doctrine which moves him from [Spiritual Infancy toward Spiritual Maturity](#). There are 3 categories of potential spiritual growth:

- ◆ Normal spiritual growth from post-salvation epistemological rehabilitation
  - This is the function under the Grace Apparatus for Perception, Operation Z, with the 4 R's.

- Reception or Receptive comprehension
- Retention or Metabolization of Bible doctrine, (gr) gnosis -> (gr) epignosis
- Recall or Application of that Bible Doctrine, (gr) sophia
- Resistance, Opposition to functions of Satan's Cosmic Dynaspheres
- ◆ Accelerated spiritual growth
  - This is the application of Metabolized Bible Doctrine and Problem Solving Devices in the [Testing Envelope](#) of the Divine Dynasphere under undeserved suffering, pressure, and adversity even prosperity, designed for enhanced blessing and accelerated spiritual growth.
  - This occurs in the 3 levels of Spiritual Life Progression through Spiritual Adulthood as:
    - Spiritual Self Esteem
    - Spiritual Autonomy
    - Spiritual Maturity.
- ◆ Positive Response to Divine Discipline
  - This is learning from strictly punitive suffering, divine discipline, under the law of volitional responsibility, and self-induced misery.
  - This is a very slow and very painful process and does not necessarily advance the believer in the Spiritual Life.

### Metabolized Bible Doctrine & Momentum in the Spiritual Life

It is Metabolized doctrine circulating in the stream of consciousness which originates and is the basis for the function of two processes in the soul:

- Development of a 'Mirror' in the soul for private and personal self evaluation as a system by which the believer applies Metabolized Bible Doctrine to himself.
- Development and Deploying of 10 Problem Solving Devices onto the Forward Line of Troops of the soul to handle all problems, pressures, adversities, difficulties and prosperity in life.

With the development of these 2 areas of the soul the believer will always be aware that there never has been any problem in his life that was not covered in eternity past in his very own portfolio of [Invisible Assets](#). However, Negative volition from neglect or rejection of Bible Doctrine, guarantees a miserable life for him as a result of his being unable to solve the problems he encounters in his life. With the [Problem Solving Devices](#) there is nothing in this life which cannot be resolved and resolving problems in life by the use of this categorical Metabolized Bible Doctrine emphatically accelerates one's spiritual growth. Any attempt to apply Bible Doctrine to experience apart from these 10 Problem Solving Devices results in heresy, distortion, and concepts totally antagonistic to the spiritual life.

Therefore, accumulated Metabolized Bible Doctrine circulating in the stream of consciousness is the basis for momentum and advancement in the spiritual life. It is through the functions of the momentum department of the Right Lobe of the Stream of Consciousness of the Soul which results in the execution of the protocol plan of God for the Church Age and thus Maximum

Glorification of God. Maximum Glorification of God comes from effective transitioning within the Sophisticated Spiritual Life. There are four objectives for the believer to achieve in [Progressing in the Spiritual Life](#); two are tactical and two are strategic:

- Tactical Objectives:
  - #1 – A Personal Sense of Destiny.
    - A personal sense of destiny is tantamount to reaching a status of spiritual self esteem.
  - #2 – Spiritual Maturity
    - This requires progressing from Spiritual Self Esteem to Spiritual Autonomy then to Spiritual Maturity through the Sophisticated Adult Spiritual Life.
- Strategic Objectives:
  - #1 – Parlay a Personal Sense of Destiny into Advanced Personal Love for God, Occupation with the Person of The Lord Jesus, The Christ. ([Philippians](#))
  - #2 – Parlay Spiritual Maturity into Maximum Glorification of God at Advanced Maturity Adjustment to the Justice of God. ([2<sup>nd</sup> Timothy](#))

#### **Momentum Applications:**

There is an essential ministry of the pastor-teacher in the function of the momentum department. ([Eph 4:15](#)) The Pastor Teacher communicates the Absolute Truth of Bible Doctrine as a part of the function of the momentum department because his function is to provide the means and information by which the believer can “grow up” in the Spiritual Life. However, the Pastor Teacher cannot ‘MAKE’ anyone grow up; the individual believer must decide to accept or reject the Bible Doctrine the Pastor Teacher presents personally from his own volitional function. Thus the Pastor Teacher provides the mechanics for the believer to receive “The all things” from God which include his function under the [Spiritual Skills](#) or Spiritual Mechanics, the development and deployment of the 10 Problem Solving Devices, and the execution of the [Sophisticated Spiritual Life](#) by consistent residence and function under the [Power System of God](#), the Divine Dynasphere. In addition the Pastor Teacher will give thanks to God concerning the believers who consistently advance in the Spiritual Life. ([2Thes 1:3](#))

The believer cannot have the spiritual momentum to execute the Protocol Plan of God and cannot live by Divine Viewpoint principles until he has maximum Metabolized Bible Doctrine circulating in the stream of consciousness of the soul and until he has deployed the Problem Solving Devices onto the Forward Line of Troops of the soul. The analogy for spiritual momentum is found in [1Pet 2:2](#), [2Pet 3:18](#). The fact is that NO believer lives the spiritual life, the Christian Way of Life, until he lives by principles related to Metabolized Bible Doctrine in his Right Lobe of the Soul. ([Acts 12:24](#)) The Word of God in the past, which continues today, is to keep on growing in the believers under consistent Positive Volition toward Bible Doctrine.

This Positive Volition toward Bible Doctrine can only be maintained by the believer functioning to reflect on his on life in the mirror of the Word of God built up in his soul which rebukes, corrects, and trains him in principles of virtue. ([2Tim 3:16](#))

### **Wisdom Department – Application Area**

Wisdom is the application of accumulated Metabolized Bible Doctrine using the Spiritual Skills, especially the Problem Solving Devices, to the various experiences of life. Wisdom requires the Perception, Cognition, Incultation and Metabolization of Bible Doctrine otherwise, arrogance involvement supersedes it. Wisdom is the ability to relate Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul to life. Therefore, it is the ability to deal sagaciously with life from the accumulated facts of the Mystery Doctrines of the Church Age. The Wisdom of the soul is directly connected with the Frame of Reference, Memory Center, Vocabulary and Categorical Storage areas in the soul and is the application area to launch Bible Doctrine from these storage areas against all situations and circumstances in life. Here, Recall of doctrine applies it to situations and circumstances in life under the function of the Royal Priesthood. This is where Thought from Metabolized Bible Doctrine is converted into action or production in the Spiritual Life. The Norms and Standards and all aspects of the Right Lobe of the Stream of Consciousness of the Soul come together to make applications so that as one applies more and more Bible Doctrine to life he develops greater and greater wisdom, the ability to apply greater and greater doctrines to his life. This is always the application of Metabolized Bible Doctrine to one's personal experiences in the privacy of his priesthood, not ever trying to apply one's Norms and Standards to others (except when one is a parent with regard to his children).

Therefore, Wisdom is the sphere for the application of metabolized doctrine to the situations and experiences in life after salvation. Therefore the wisdom department (or compartment) is the direct connection of the Edification Complex of the Soul with the Forward Line of Troops of the soul where Metabolized Bible Doctrine has been deployed as 10 Problem Solving Devices. Wisdom is (heb) chakmah, (gr) sophia and is manufactured from (gr) Epignosis or Metabolized Bible Doctrine accumulated and circulated throughout the Right Lobe of the Soul. ([1Cor 2:7](#)) The point is that under the Protocol Plan of God, in eternity past, God isolated all of the needs and problems of every believer and provided all the solutions for them. Therefore, everything the believer needs to live in this world ruled by Satan under Evil was provided by God in eternity past and this means that ultimately, for all of this, the Glory belongs to God. However, to use these provisions the believer must first acquire the understanding of the principles behind them and accept these principles as reality in order that they can be manufactured into the applications as Wisdom from the soul. ([Eph 1:7-8](#))

The wealth of God, which is to be acquired by the believer, is measured in wisdom, in principle, and in thought based on divine viewpoint Norms and Standards, Scale of Values and a Frame of Reference constructed from Metabolized Bible Doctrine. The key to this wealth therefore is accumulation of Metabolized Bible Doctrine into the soul, not material possessions. God lavishes on the positive believer the riches of His grace by means of all wisdom. Accumulation of Wisdom requires THINKING in terms of Divine Viewpoint derived from Metabolized Bible Doctrine but most people are too lazy to think. However, consistent Post Salvation Epistemological Rehabilitation from Perception, Cognition, Inculcation and Metabolization of Bible Doctrine motivates the overcoming of this inherent mental laziness. ([Col 1:9](#)) It is the THOUGHT, the application of Metabolized Bible Doctrine through the Wisdom compartment of the soul and the circulation of that Bible Doctrine through the Stream of Consciousness of the Soul which changes the life of the believer. It is the mentorship of God the Holy Spirit under Operation Z, the [Grace Apparatus for Perception](#), which takes Bible Doctrine and converts it into Wisdom. Therefore, the greatest wealth available to any believer is Metabolized Bible Doctrine circulating constantly in the Right Lobe of the Stream of Consciousness of the Soul. Thus, Wisdom is the greatest riches anyone can have in this world. At the Judgment Seat of Christ each Church Age believer will be held accountable for whether or not he has this wealth in his soul. If he does, he will receive more wealth as greater rewards, decorations and blessings for eternity. If not, he will lose that wealth he should have acquired for eternity. ([Prov 2:2](#), [Prov 2:10](#)) Therefore, for the believer true inner happiness and capacity for life and love is based on the level of accumulated Bible Doctrine circulating in the Stream of Consciousness of the Soul.

### The Function of Wisdom

The function of the believer in Post Salvation Epistemological Rehabilitation from Perception, Cognition, Inculcation and Metabolization of Bible Doctrine requires the Filling of God the Holy Spirit. In addition the circulation of Metabolized Bible Doctrine through the 7 compartments of the Stream of Consciousness of the Soul requires the Filling of God the Holy Spirit. The Filling of God the Holy Spirit requires consistency in one's awareness of his failures and then the use of the [Rebound Procedure](#) to maintain it. The individual from physical birth throughout his life has a soul which progressively fills the Left Lobe with garbage and Human Viewpoint thinking derived from the influence of Evil as a result of living under the principles of Evil in the Cosmic Dynaspheres. The believer after Salvation Adjustment to the Justice of God has an empty Right Lobe of the Soul until he decides to fill it with Metabolized Bible Doctrine. The believer must clearly understand that God does not have ANY problems. However, He is expert in solving problems and He provided all solutions to all problems for all believers in eternity past. These can only be acquired by means of metabolization, faith acceptance, of the Absolute Truths of Bible Doctrine which when circulating in the stream of consciousness of the soul becomes "Wisdom". Therefore, it is this Wisdom derived from Metabolized Bible Doctrine which is spiritual wealth that has capacity and values, and causes the believer to become a different person.

Wisdom is exemplified by the function of the Problem Solving Devices which must be developed from Metabolized Bible Doctrine and then deployed onto the Forward Line of Troops of the soul to insulate the believer from Cosmic Dynasphere influence. These then provide for the accurate and objective application of doctrine to the experiences and circumstances of life. These Problem Solving Devices function based on the principle of Volition and Values. Their function is based on the believer establishing his priorities and values in his Norms and Standards by means of Metabolized Bible Doctrine so that a right thing is always done in a right way. Values and volition always go together and volition generally follows one's pre-established values. The Problem Solving Devices on the Forward Line of Troops of the Right Lobe of the Soul result in the believer taking responsibility for ALL of his own decisions. He never blames others for his problems and failings and never functions under the Arrogance Skills to justify self. Therefore, the wisdom department of the stream of consciousness as a result of deploying Problem Solving Devices results in thinking in terms of principles and absolutes. It is these 10 Problem Solving Devices which function to win the four battles in the soul:

- Sin and Old Sin Nature control of the soul
- Stress in the soul
- False doctrine and Human Viewpoint in the soul
- Wrong solutions or False Standards in the soul from Maladaptive Defense Mechanisms

It is these Problem Solving Devices when operational on the Forward Line of Troops of the soul provide true compatibility between the Absolutes of Bible doctrine and the variables that relate them to life.

### **The Subconscious Mind.**

The subconscious is attached to the right lobe because the right lobe feeds it. The subconscious is the place for storage of impressions, thoughts, and emotions which one does not desire to have in the conscious mind or in the emotions. Therefore, totally apart from compartments of the Right Lobe of the Soul and apart from any form of metabolized doctrine, certain impressions are made which enter into the subconscious mind. The subconscious includes aspects of the mental life which are not immediately a part of the individual's conscious mind, which are not ordinarily permitted to come to the surface of one's thinking. However, with relatively little aid, the obstructing repressions can be lifted and the contents emerge into awareness. When under [Emotional Revolt of the Soul](#) these blocked impressions or emotions are released into the soul and begin to control the Right Lobe of the Soul superseding the mentality of the soul. Thus the subconscious is a mental apparatus which overlaps or is derived from the conscious mind, but whose content is not immediately available to the conscious mind. However, the subconscious can affect thoughts, feelings and behavior without its influence entering into one's awareness. Hence, the subconscious is where there are generally undesirable impressions and mental activity just below the threshold of consciousness.

These can be released by Emotional Revolt of the Soul and most often the teaching of Bible doctrine will release these impressions and by opposing them and will thereby systematically clean out the subconscious of these things that are false and detrimental.

Therefore, the subconscious can be considered the garbage dump for things in the conscious mind that are rejected, no longer believed, or priorities and standards which have changed. When one changes a Norm or Standard and does not accept it any longer, and it conflicts with the new Norms and Standards in the Conscience, that causes the old Norms and Standards to be dumped into the subconscious. In this way the subconscious collects all the poison and garbage from the Right Lobe of the Soul. It is the accumulation of Metabolized Bible Doctrine into the right lobe of the soul plus the development of wisdom in the application of doctrine which systematically removes obstructing repressions so that the contents of the subconscious can emerge into awareness where those things can be dealt with and handled in the proper manner. This is the mechanism of Metabolized Bible Doctrine solving erroneous content and functions dealing with the subconscious.

### **Negative Functions of the Soul.**

- The believer in his Right Lobe can reject Bible teaching for many reasons. ([Prov 5:12-14](#)). The believer under Negative Volition toward Bible doctrine refuses to concentrate because he does not like or agree with what he is hearing. This makes this individual believer unteachable and a candidate for entanglement in the [Interlocking System of Arrogance](#) and degradation into [Reversionism](#).
- The Right Lobe of the Soul can be the source of discord and trouble making, which leads to strife and conspiracy when involved in groups or organizations. ([Prov 6:14](#), [Prov 6:18](#)).
- The woman often uses erroneous Right Lobe of the Soul thinking to entice the male for personal gain without love. ([Prov 7:10](#), [Eccl 7:26](#))
- A woman often does a lot of thinking, but it's not objective, doctrinal, professional nor academic thinking; it is thinking used to bring attention to herself in whatever way she wants attention. This is thinking in terms of "snares and nets", and in her hands she has chains. She can be very flattering and conniving, and once she catches a male through his arrogance, that arrogance will chain him to her.
- Flattery is very often the 1 thing which will destroy wisdom, IQ, and the ability to look at life objectively from the divine viewpoint and is clearly demonstrated by the stupid arrogant individual succumbing to it.
- Suffering disappointment or frustration from broken promises. ([Prov 13:12](#)).

- Mental attitude sins are created in the environment of the Right Lobe of the Soul. ([2Sam 6:16](#))
  - Bitterness is one of the greatest of all aspects of Motivational Arrogance infiltrating the Right Lobe of the Soul and it neutralizes whatever doctrine is there. ([Prov 14:10](#))
  - [Arrogance](#) in any aspect manifests itself in various ways and then becomes that person's lamp for life setting aside all Bible Doctrine. ([Prov 21:4](#))
  - Arrogance deceives self and causes one to make a fool of self. ([Obd 3](#))
  - Worry is a form of blaspheme where the believer thinks GOD cannot do His part in providing the Logistical Grace support the believer needs in life. ([Eccl 2:23](#))
  - Deceitfulness as a part of Functional Arrogance is an overt manifestation of one's arrogance of soul. ([Jer 17:9](#))
- The [Frantic Search for happiness](#) the 2nd stage of reversionism is related to the lack of fulfillment of the desires of the Right Lobe of the Soul. ([Eccl 1:13](#))
- Revolution, Conspiracy and Insubordination are processes involving entanglement in the Interlocking System of Arrogance and are a part of the thinking of the Right Lobe of the Soul derived from Evil. ([2Sam 15:6](#), [Jer 5:23](#), [Ez 6:9](#))
- Hypocrisy is thinking in the Right Lobe of the Soul where one thinks one thing but express another thing overtly. ([Ps 55:21](#))
  - Therefore, the true state of the individual's Right Lobe of the Soul is often not indicated by his overt behavior or expression. ([Prov 14:13](#))
- Reversionism begins in the Right Lobe of the Soul by some level of [Negative Volition](#) toward Absolute Truth. ([Jer 17:5](#))
- Therefore, the Right Lobe of the Soul is related to any kind of failure in the believer's life because before anything can be done or accomplished by one it must be THOUGHT out in the Right Lobe of the Soul. In other words, one's life is not what others see overtly, though it may reflect good or bad thoughts, right or wrong priorities but the real person is found in what he THINKS.

### **[Soul Interactions and Functions](#)**

## [The Edification Complex Outline](#)

### **Foundation**

The Filling of God the Holy Spirit, this is Power Option #1, [Gate #1](#) of the Divine Dynasphere, and the [2<sup>nd</sup> Problem Solving Device](#), the ultimate power of the Spiritual Life initially provided for the believer at Salvation Adjustment to the Justice of God when God places the believer into his Divine Dynasphere but must be maintained by consistent use of the Rebound Procedure ([1John 1:9](#)).

### **1<sup>st</sup> Floor**

Grace Orientation, as the [4<sup>th</sup> Problem Solving Device](#) begins with comprehending and accepting that Salvation Adjustment to the Justice of God is by faith alone in the Substitutionary Spiritual Death of The Lord Jesus the Christ alone and cannot ever be earned, deserved nor added to lest Salvation never be acquired. Understanding in addition that provisions for the life of the believer and his function in the Plan of God is based on the WORK of GOD not the believer's efforts. ([Gal 5:21](#))

### **2<sup>nd</sup> Floor**

Authority Orientation – Humility & Teachability, this is the opening of the Virtue Envelope of [Gate #3](#) of the Divine Dynasphere with the development of Authority Orientation under adherence to the Laws of Divine Establishment and is the basis for Virtue with the development of Enforced Humility from Enforced Discipline leading to the development of Genuine Humility from Self Discipline, the Humility Envelope as foundational virtue.

### **3<sup>rd</sup> Floor**

Bible Doctrine Orientation, as the [5<sup>th</sup> Problem Solving Device](#), and [Gates #2 and #5](#) of the Divine Dynasphere, is the clear understanding that from consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine comes the Application of Bible Doctrine to life and that this is the primary [ESSENTIAL](#) in the Spiritual Life.

### **4<sup>th</sup> Floor**

Personal Love for God, is the primary Motivational virtue of [Gate #6](#) of the Divine Dynasphere and [Problem Solving Device #7](#) as part of the Integrity Envelope of the Spiritual Life developed only by KNOWING God from consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine.

### **5<sup>th</sup> Floor**

Impersonal, Unconditional Love for Mankind, is the primary Functional Virtue of the Integrity Envelope of [Gate #6](#) of the Divine Dynasphere and [Problem Solving Device #8](#) and initially develops from motivation from Personal Love for God and an understanding of and adherence to the principles of the [Divine Institutions](#) and [Laws of Divine Establishment](#) under the concept of Live and Let Live.

### **6<sup>th</sup> Floor**

**Relaxed Mental Attitude**, this is a complete lack of Motivational Arrogance, Mental Attitude Arrogance and Mental Attitude Sins as a result of the believer approaching or reaching Maturity Adjustment to the Justice of God from consistency in Post Salvation Epistemological Rehabilitation by Perception, Cognition, Incultation and Metabolization of Bible Doctrine.

### **7<sup>th</sup> Floor**

**Mastery of the Details of Life**, this is a complete understanding that everything in one's life is a detail and basically inconsequential in the Protocol Plan of God where Bible Doctrine is the only **ESSENTIAL** in the Christian Way of Life, so that the believer is content when he has the details and content when he lacks the details recognizing that the SOURCE of the details is vastly more important than the details themselves.

### **8<sup>th</sup> Floor**

**Sharing the Happiness of God**, corresponds to **Problem Solving Device #9** and is developed from a Relaxed Mental Attitude with maximum inner happiness, contentment, stability and peace as a result of the accumulation of a maximum **Metabolized Bible Doctrine** in the Right Lobe of the Stream of Consciousness of the Soul providing capacity for life

### **The Edification Complex Defined**

The Edification Complex of the Soul is analogous to a building which is constructed in the Right Lobe of the Stream of Consciousness of the Soul from the progressive addition of the building blocks of the Spiritual Life from persistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine. At the point of [Salvation Adjustment to the Justice of God](#) the soul is saved but it is never fulfilled or completely implemented until the Edification Complex of the Soul is developed. It starts like any construction project for a building with development of a strong foundation and builds up one doctrinal brick at a time, floor by floor as a greater understanding of and ability to use the Metabolized Bible Doctrine in the Right Lobe of the soul is accumulated. The Edification Complex of the Soul along with residence of the believer in the [Divine Dynasphere](#) demonstrates the clear progressions necessary for the development of [Spiritual Maturity](#) in the believer in The Lord Jesus, The Christ. The Construction of the Edification Complex of the Soul does not however occur with completion of each individual “floor” before another floor is begun just like the Divine Dynasphere is not developed by moving from one completed stage to another but the Spiritual Life is a progression of “simultaneous” development of various aspects of each floor or stage in varying levels of completion as the believer moves through the stages of development in his Spiritual Life from [Spiritual Infancy](#) to [Advanced Maturity Adjustment to the Justice of God](#). In other words the believer’s Edification Complex of the Soul can begin with the Filling of God the Holy Spirit for varying time periods where some level of Humility and Authority Orientation begin to develop so that there can be some level of Grace Orientation and Bible Doctrine Orientation which GROWS as the believer matures more and more. This becomes a reality when there is understanding that the believer cannot maintain the Filling of God the Holy Spirit constantly and this is the foundation of the Edification Complex of the Soul and the [Power Gate](#) of the Divine Dynasphere therefore the development of the other “floors” and “Gates” can occur in each case as simultaneous and varying progressions building on one another to completion where they must be constantly reinforced by continued Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.

### **Scriptural Synonyms**

The Edification Complex of the Soul is described in scripture using many synonyms to refer to it:

- Light – [Ps 119:130](#), [Eph 5:8-9](#)
- Glory of God – [1Cor 11:7](#)
- Fullness of God – [Eph 3:19](#)
- Becoming an imitator of God – [Eph 5:1](#)
- Christ at home in your Hearts (Right Lobe of the Soul) – [Eph 3:17](#)
- Christ formed in you – [Gal 4:19](#)
- New man – [Eph 4:24](#)
- Obeying the truth – [1Pet 1:22](#)
- Perfect Work – [James 1:4](#)

### **The Foundation**

The Filling of God the Holy Spirit is the foundation of this inner structure or edifice of the soul as the unseen support. This is the [Power Gate](#) of the Divine Dynasphere and the [2<sup>nd</sup> Problem Solving Device](#) where the believer under the Indwelling and Filling of God the Holy Spirit becomes the beneficiary of all aspects of divine power to sustain him in this world ruled by Satan since the fall of Adam. All Christian dynamics, strength, Divine Good production and spiritual growth are based on the power of this Energizer.

### **The First Floor**

Grace Orientation corresponds to [Gate #4](#) of the Divine Dynasphere and [Problem Solving Device #4](#) and is for the new believer in The Lord Jesus the Christ the first cognizance he should truly appreciate, that is the GRACE provision of the entire mechanism God planned for his having the potential to acquire Eternal Salvation. When the Gospel is presented properly the new believer should be made to appreciate that the GOOD NEWS of faith acceptance of The Lord Jesus the Christ as savior is that GOD DID ALL THE WORK and the believer can appropriate it without having to, in fact without being ABLE to, DO ANYTHING to get it. The initial Grace Orientation by the believer will then develop and grow as he accumulates a greater inventory of [Metabolized Bible Doctrine](#) into his Right Lobe of the Stream of Consciousness of the Soul and thus understands more about God and the Grace Plan of God.

Therefore, the believer is to be reasonable and fair and functioning under the principles of Grace Orientation. However, a person can only become “Reasonable and Fair” by having a Relaxed Mental Attitude and cannot be reasonable nor fair by being jealous or vindictive or saturated with Mental Attitude Arrogance and its Mental Attitude Sins.

### The Sufficiency of Grace

The Power of God and the Sufficiency of Grace are found in the Edification Complex of the Soul. ([2Cor 12:9-10](#)) The power of God is provided for us at [Salvation Adjustment to the Justice of God](#) as the Foundation of the Edification Complex of the Soul as the Indwelling of God the Holy Spirit and Filling of God the Holy Spirit BECAUSE of the Sufficiency of GRACE. The sufficiency of Grace is found in the Edification Complex of the Soul where the first floor is Grace Orientation and the believer must APPRECIATE that his Salvation is totally and completely based on the Grace of God. Therefore, the strength of the Lord is imparted to the believer through the Edification Complex of the Soul, as a result of maximum Metabolized Bible Doctrine being moved into and modifying the Frame of Reference of the Right Lobe of the Soul.

### The Second Floor

**Authority Orientation** is the Second floor of the Edification Complex and the [3<sup>rd</sup> entry gate](#) of the Divine Dynasphere, the [Power System of God](#), where the believer is able to develop Enforced Humility from proper function under enforced discipline in some structure of authority leading to the development of Genuine Humility from engaging in the use of self motivation under self discipline. This orientation to authority and structured discipline added to orientation to the Grace provisions of God for the sustaining and growth of the believer in the Plan of God results in the accumulation of the sane, objective, rational, ABSOLUTE Truth of Bible doctrine into his Stream of Consciousness of the Soul. The progressing development of Genuine Humility in the believer represents the transition from Authority in life to Freedom in life with a clear understanding of the responsibilities which go along with it. The Authority Orientation of the advancing believer builds the understanding leading to obeying and fulfilling the mandates and principles of all aspects of Bible Doctrine along with the principles of the [Laws of Divine Establishment](#) and [Divine Institutions](#). ([2Cor 10:8](#), [2Cor 13:10](#)) If the Corinthian believers whom Paul addressed this passage to were humble, they would benefit from Paul's authoritative epistle; however, if they were arrogant, they would be unteachable and would continue toward their own self destruction. Thus Humility represents teachability and forms the basis for the next floor of the Edification Complex. ([1Cor 8:1](#))

The believer is to be NON-contentious, refraining from verbal sins and from being a trouble maker. Maligners and slanderers have hangups in their soul and reject authority as a result of having become jealous, vindictive, implacable, contentious and thus become trouble makers and by rejection of authority fail in the construction of the Edification Complex of the Soul.

### The Third Floor

**Bible Doctrine Orientation** as the Third Floor of the structure of the Edification Complex of the Soul corresponds to [Gates #2 and #5](#) of the "revised" Divine Dynasphere and the [5<sup>th</sup> Problem Solving Device](#). The initial function in this area also brings a cognizance of the need to recover the Foundation when necessary after failure and engaging in carnality and thus motivates the believer to consistently use the [Rebound Procedure](#) when necessary. This results

in Spiritual Momentum in the [Power System of God](#) which results in the progressive construction of this floor of the Edification Complex. ([Rom 12:3](#)) This verse contrasts Three Greek verbs:

- (gr) Huperphroneo = “to overthink, to think too highly of oneself, to think in terms of arrogance”
- (gr) Phroneo = “to think objectively.”
- (gr) Sophroneo = “to be in one’s right mind, to be sane, reasonable, rational, sensible, serious, to keep one’s head.”

Objective thinking is therefore the third floor of the Edification Complex and the standard or criterion for objective thought is Bible doctrine. Paul combines yet another Greek verb with (gr) phroneo in order to amplify the contrast between correct Divine Viewpoint thinking and the Arrogance of Human Viewpoint thinking. The purpose of the believer’s objective thinking is that he be sane and rational. Thus Paul has said in effect that the believer is to “think in terms of sanity for the purpose of being rational without illusion.” The believer who is “rational without illusion” can face all the vicissitudes of life without falling apart, without being disturbed, without withdrawing into neurosis or psychosis. He has accumulated enough Metabolized Bible Doctrine into the Right Lobe of the Stream of Consciousness of his Soul to graduate beyond the superficial thinking that is so common among believers today. He has developed the “[Spiritual Common Sense](#)” of divine viewpoint in his daily life. Therefore, when properly understood, inculcated and metabolized, Bible Doctrine in the soul is normal, sane, rational thinking.

### **The Fourth Floor**

[Motivational Virtue](#) is in fact the totality of the Fourth Floor of the Edification Complex, a primary which is Personal Love for God built upon the basic Christian virtue of Humility developed from Authority Orientation. This corresponds to Gate #6, the [Integrity Envelope](#), of the Divine Dynasphere and [Problem Solving Devices #7 & #10](#). Personal love emphasizes the object of love, it’s attractiveness and appeal and this is continually developed as the believer comes to know more and more about who and what God is through consistent Perception, Cognition, Inculcation and Metabolization of Bible doctrine. Personal love, therefore, requires Integrity in the one who loves. This 4<sup>th</sup> Floor of the Edification Complex is built on the Foundation and the Orientation Envelope of Grace Orientation, Authority Orientation, and Bible Doctrine Orientation so that Humility precedes true Integrity.

The only way to love God and appreciate The Lord Jesus the Christ having NOT seen him is through Bible Doctrine, the thinking of Christ ([1Cor 2:16](#)), which he has left and preserved for these millennium for the Post Salvation Epistemological Rehabilitation of every believer. With a maximum level of [Metabolized Bible Doctrine](#) in the Stream of Consciousness of the Soul the believer will reach [Maturity Adjustment to the Justice of God](#) and complete the construction of his Edification Complex of the Soul. Then he can truly LOVE Christ under [Occupation with the](#)

**Person of The Lord Jesus the Christ**, the 10<sup>th</sup> Problem Solving Device. The believer can only have the capacity to love The Lord Jesus the Christ as a result of maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul and having a completed Edification Complex of the Soul. In addition there must be the possession of a Relaxed Mental Attitude and lack of Mental Attitude Sins and thus also causing this believer to be a pleasure for others to be around.

### **The Fifth Floor**

**Functional Virtue** is the the totality of the Fifth Floor of the Edification Complex of the Soul a primary which is Impersonal, Unconditional Love for mankind, again built on the basic Christian virtue of Humility developed from Authority Orientation. This floor corresponds to the **8<sup>th</sup> Problem Solving Device** and the continued development of Gate #6, **Integrity Envelope** of the Divine Dynasphere. Initially this Impersonal, Unconditional Love is demonstrated by the believer beginning to develop a Relaxed Mental Attitude and resist the temptations to engage in the **Motivational Arrogance** of Mental Attitude Arrogance and its mental attitude sins. In the progressive construction of this floor the immature believer obeys the divine mandates for the basic **Christian Modus Operandi** as a result of his respect for God's Authority and Orientation to God's Grace. However, this Impersonal, Unconditional Love is developed secondary to and dependent on the Motivational Virtue of Personal Love for God which when combined then continues the development of the entire Integrity Envelope of Gate #6 of the Power System of God.

Therefore, development of a MATURE Integrity Envelope of Gate #6 of the Divine Dynasphere and Floors 4 & 5 of the Edification Complex of the Soul are built upon the ministry of the Filling of God the Holy Spirit under the **Grace Apparatus for Perception**, momentum from consistent Perception, Cognition, Incultation and Metabolization of Bible doctrine, Authority Orientation with its resultant Teachability from Genuine humility forming a composite of Motivational Virtue and Functional Virtue.

### **The Sixth Floor**

**Relaxed Mental Attitude** is the Sixth Floor of the Edification Complex of the Soul. This is basically a Mental Attitude free from the **Motivational Arrogance** of Mental Attitude Arrogance and its Mental Attitude Sins and reflects the entire state resulting from consistency in the function of the Grace Apparatus for Perception. This is the result of the accumulation of a maximum level of Metabolized Bible Doctrine into the Right Lobe of the Stream of Consciousness of the Soul. This causes the orientation of the believer toward other people to be focused on the Functional Virtues of Gate #6 of the Divine Dynasphere as a result of being completely oriented as a result of the Motivational Virtues directed toward God. The Relaxed Mental Attitude ultimately results in maximum contentment, stability and peace as a result of the accumulated Bible Doctrine in the Right Lobe of the Soul providing capacity for all aspects of life.

A Relaxed Mental Attitude toward people is directly derived from the development and deploying of the [8th Problem Solving Device](#) of Impersonal Unconditional Love for Mankind and completing construction of the 5th floor of Functional Virtue in the Edification Complex of the Soul. With this Relaxed Mental Attitude the believer habitually minds his own business and ignores the business of those other people in his periphery. When these individuals have the desire to understand the gospel of The Lord Jesus the Christ or the Bible Doctrine from scripture and he has opportunity to communicate with them he engages in Helping them understand it. He is not one who is always trying to censor or straighten out these other people. In addition this believers is not upset when other people malign, judge, retaliate or take revenge on him as a result of his having maximum Metabolized Bible Doctrine in his Right Lobe of the Stream of Consciousness of the Soul and this Relaxed Mental Attitude.

The believer with maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul who SLAMS his troubles onto the Lord like a wrestler body slamming his opponent, is one who is consistent in functioning under the [Faith Rest Drill \(5 Stages\)](#). ([1Pet 5:7](#)) He is the one who understands clearly that there is no problem, pressure, heartache, disaster or catastrophe in life which is too great for the Plan of God to handle and the solutions to any and every one of these categories of difficulty in life were designed and provided for the believer in Eternity Past in the Plan of God. This is the focus, function and attitude which will result in developing a strong Relaxed Mental Attitude. When one considers the Human Race, and how terrible they are, he must focus on the fact that the TERRIBLE nature of People is NONE OF HIS BUSINESS and he must continue to live his own life before and unto the Lord. The believer MUST have a Relaxed Mental Attitude toward people no matter how they treat him or what they do and by consistently using the Faith Rest Drill (5 Stages) he will develop a strong dynamic love and appreciation for the Plan of God and Grace of God, The Lord Jesus the Christ, and the purpose God has for his life in phase II of that plan.

It is “Wisdom” developed from maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul which enables the believer to look at every situation or circumstance in his life from the [Divine Viewpoint](#) and remain relaxed toward the Human Race. Thus he will make decisions from this Divine Viewpoint which may include not retaliating, avoiding people and making efforts to obtain Bible Doctrine when ever it is possible. This Divine Viewpoint provides a genuine appreciation for God and enables him to enjoy people even when they are obnoxious and nothing in life bores him. It is interesting to note that the development of contentment, inner peace and stability of character with a Relaxed Mental Attitude is the mechanism for the life of the believer to have impact for The Lord Jesus the Christ as a Royal Ambassador, representing Christ to mankind. Therefore, it is the believer who has stability of character who meets all the problems and difficulties in life with a Relaxed Mental Attitude under the inevitable pressure of being the victim of maligning, gossip, slander, vindictive criticism, revenge Modus Vivendi, etc., knowing that what others think of him is inconsequential. This is the direct application of Metabolized Bible Doctrine to life by the complete use of all aspects of the Faith Rest Drill (5 Stages). This stable life which has impact for the Lord does not depend on approbation from people for any reason and is totally

dependent on the Lord through Grace Orientation and Bible Doctrine Orientation. When the believer exhibits this stability of character, the JUDGE, The Lord Jesus, The Christ, is won over and seeing his stability and the instability of others and his Relaxed Mental Attitude and lack of concern with what others think, being totally relaxed about all situations, will take up the case of injustice for him. This believer with maximum Metabolized Bible Doctrine in the Right Lobe of the Soul does not demonstrate the instability of constantly trying to explain, justify or defend himself which will inevitably bring to him a lifetime of misery.

Having a Relaxed Mental Attitude and carrying one's inner happiness inside results in his not being disturbed by enemies and treating enemies based on who and what he is as a dynamic believer functioning consistently within the Divine Dynasphere producing [Divine Good](#). This results in having fantastic inner happiness and by this means demonstrates to the Fallen Angels in the Angelic Conflict the principle of the Grace of God WHICH THEY DO NOT UNDERSTAND. This is the true GRACE OF GOD, Unmerited Favor which depends ONLY on the character of the GRACE Provider. Under this "GRACE" principle, treating one's enemies based on one's own character he is perfectly oriented to GRACE and is thus ILLUSTRATING GRACE so that as a result, the Lord gives MORE reward to him on the basis of his stabilized character thus there is EXTRA GRACE BLESSING for the person who has and functions consistently under a Relaxed Mental Attitude and Inner Happiness.

When faced with any personal opposition the believer can choose to engage in Response or Reaction. Response is from a Relaxed Mental Attitude with a Grace answer and infers that one is putting out the fire of his own anger before it is lit. Reaction with BITTER thinking, words or actions infers that he is causing a greater anger in the maligner. Response is the Grace Oriented Relaxed Mental Attitude while Reaction is the Motivational Arrogance of Mental Attitude, Verbal or Overt Sin Anger. Arrogant Mental Attitude Sins produce Self Induced Misery and a greater division between the involved people. In contrast a Response of GRACE produces 2 results:

- Leaves the maligner in the hands of the Lord.
- Avoids a schism between individual believers or groups in a local church.

Where reaction occurs, all parties involved in the Mental Attitude Sins have Self Induced Misery and this intensifies the conflict and schism among them. However, where Response occurs only those guilty of Mental Attitude Sins have Self Induced Misery. This effectively isolates the guilty person(s) to enable GOD to effectively deal with them. Response is always a Mental Attitude of Grace from a Relaxed Mental Attitude and under response there can be no schism because it takes 2 to make a fight. Therefore, the Gracious Relaxed Mental Attitude becomes the solution to any conflict, schism or split among believers. This Grace Relaxed Mental Attitude depends on Maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul and the Filling of God the Holy Spirit which results in the Production of Divine Good. This is the entire basis for the proper and effective dynamics of human relationships using a Relaxed Mental Attitude. ([Prov 15:1](#))

### **The Seventh Floor**

**Mastery of the Details of Life** is the Seventh Floor or the Edification Complex of the Soul. The believer can have the capacity for enjoying the details of life without making them his priority for obtaining and maintaining happiness in life. He can master these details without sinning and this is only possible through his consistent function under the Grace Apparatus for Perception and completing the construction of his own Edification Complex of the Soul. Even a cursory study of the Proverbs of David and his son Solomon, both **KINGS** of Israel, clearly exposes the principle that in the life of the believer in The Lord Jesus the Christ, EVERYTHING in life is a **DETAIL** with the only exception being Bible Doctrine from the Word of God. Therefore, by focusing on Post Salvation Epistemological Rehabilitation by consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine the believer can and will master the details of life. When it comes to any of the details of life the believer must focus on the **SOURCE** of all blessings in one's life, The Lord Jesus the Christ, by means of the accumulated Metabolized Bible Doctrine in his Right Lobe of the Stream of Consciousness of the Soul. A believer who is minus Bible Doctrine and filled with the Motivational Arrogance of Mental Attitude Sins and Self Induced Misery, not having a Relaxed Mental Attitude, can have all the **MONEY** or material accumulations of the Details in Life imaginable, but even with all this great materialistic wealth he will have **"WANT"** for more and will still have incredible Self Induced Misery. This is a soul Void which cannot be filled with any of the **"Details of Life"**. When a believer is minus Bible Doctrine there is **NOTHING** which can fill the void in his soul and he will be miserable his entire life with or without the details of life. Therefore, peace, mental stability and inner happiness does not depend on the details of life nor the circumstances of life but **ONLY** on Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul. It is only the accumulation of Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul which gives the believer Grace Orientation, orientation to the Plan of God and Will of God and without it no matter where he may go or what he may possess **HE WILL BE MISERABLE**. It is Metabolized Bible Doctrine in the Right Lobe of the Soul which provides the proper perspective of life ([Prov 28:25](#)) for the believer so that he can enjoy:

- People
- The Details of life
- All Circumstances of life
- when he does or does not have these things.

### **The Corrupter of the Soul**

The believer can enjoy the details of life and having an abundance of the details of life does not make him sinful unless the bible declares some aspect of such details themselves to be sinful. In order to enjoy life one must have capacity to do so and this only comes from accumulation of a maximum level of Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul. This is the only thing which will free the believer from Mental Attitude Sins and as long as this function under the Grace Apparatus for Perception persists he will be able to enjoy the things of life which are not considered by the bible to be sinful. For the unbeliever this is a maximum understanding and adherence to the Laws of Divine Establishment and Divine Institutions which, in fact, are part of and derived from Bible

Doctrine. Therefore, as a result of function under the Grace Apparatus for Perception and building the Edification Complex of the Soul the individual believer can be free from [Mental Attitude Arrogance](#) and Mental Attitude Sins. Mental Attitude Sins destroy many innocuous things in life and the capacity for Life in all areas and the ability to enjoy the details in life. If the objective is to neutralize something which is innocuous, not sinful and fun in life one only has to apply Mental Attitude Sins to it. This category of “innocuous” things has disappeared today because of the saturation of people with Mental Attitude Sins which are generally hidden from others. This is why Mental Attitude Sins produce great Self Induced Misery and thereby tear down one’s own house of happiness.

Mental Attitude Sins are the sewage or excrement of the mind and soul which pollute the mind and destroy capacity for living. Therefore, the simple reason many believers are not happy is because they are full of Mental Attitude Sins. ([Heb 12:15](#)) As an example the concept is that “bitterness is defiling” and Mental Attitude Sins which occur at any point in one’s life often have continual and perpetual repercussions for very long periods of time. Mental Attitude Sins cause the soul to be stained or polluted and the believer receives this staining or pollution simply by engaging in Mental Attitude Sinning. Therefore, it becomes clear that Mental Attitude Sins will corrupt and defile the soul and this is a perpetual operation in the Human Race from the garden to this very day. As a result of this defilement in the believer there is the malfunction of the Grace Apparatus for Perception and the resultant destruction of the Norms and Standards in the Right Lobe of the Stream of Consciousness of the Soul. These are the believers who are negative regarding the consistent function of the Grace Apparatus for Perception. The destruction of any Divine Viewpoint Norms and Standards in the soul causes a person to function like an animal minus moral and battle courage. (Nebuchadnezzar) The process first begins with defilement or pollution of the soul through Mental Attitude Sinning then there is unfaithfulness, unbelieving or rejection of Bible Doctrine. Therefore, the malfunction of the Grace Apparatus for Perception allows the Mental Attitude Sins to operate in an unrestrained manner and basically puts the Old Sin Nature into prolonged control of the soul.

### **[The Eighth Floor](#)**

**Sharing the Happiness of God**, is the final floor, the Penthouse, of the Edification Complex of the Soul, corresponds to the [9<sup>th</sup> Problem Solving Device](#). The believer should be acutely aware that he is not guaranteed to have instant happiness after [Salvation Adjustment to the Justice of God](#) and all happiness for him is dependent on consistent function under the [Grace Apparatus for Perception](#) and the use of Metabolized Bible Doctrine from the Right Lobe of the Stream of Consciousness of the Soul in application to life. It is reaching the point of having a consistently Relaxed Mental Attitude, with de-emphasis on the Details of Life and emphasis and focus on Source of all things in life, The Lord Jesus the Christ, along with the accumulation of maximum Metabolized Bible Doctrine into the Right Lobe of the Soul with the resulting mental stability, contentment and fantastic Inner Happiness which is the true goal of the Spiritual Life. This “Penthouse” of the completed edifice or building in the soul of the mature believer thus becomes his Royal Residence. ([Prov 3:13](#), [Ps 97:12](#), [John 17:13](#))

Sharing the Happiness of God is maximum inner happiness, contentment and mental stability from maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul (Problem Solving Device #9). This inner happiness develops in a constant progression from Salvation Adjustment to the Justice of God to the point of [Advanced Maturity Adjustment to the Justice of God](#) where the believer progressively develops and stabilizes his Mental Attitude with a strong Relaxed Mental Attitude and the resulting progressive mental stability under the inevitable pressures of life. Upon breaking the Spiritual Maturity barrier and receiving his Alpha Grace or Escrow [Super – Grace blessings](#) in 6 categories, this inner happiness, having developed over the course of spiritual advance, is enhanced to the point where the believer shares the same happiness of God. Having reached Maturity Adjustment to the Justice of God this believer has an UNWAVERING mental stability under any exigencies or circumstances of life. This 8th Floor construction of the Edification Complex of the Soul is completed when the believer breaks into and progresses through the 3 stages of Spiritual Maturity as a result of having developed a maximum balance of residency of Metabolized Bible Doctrine and the Filling of God the Holy Spirit in his soul. Here, Sharing the Happiness and Contentment of God, expresses a maximum level of Personal Love for God as [Problem Solving Device #10](#) – Occupation with the Person of The Lord Jesus, The Christ. With continued progression through [Spiritual Maturity](#) he then receives Bravo Grace Blessings (the combination of Alpha Super – Grace blessings and the Logistical Grace support for the believer's life from Salvation to Maturity) as support for crossing the No Man's Land of Intermediate Spiritual Maturity. In addition [Ultra Super – Grace Blessings](#) along with the Mantle of Suffering Blessings and support are received when the believer reaches Advanced Maturity Adjustment to the Justice of God and is called as a primary Witness for the Prosecution (See the Life of [JOB](#)). As a Primary Witness for the Prosecution (under [Evidence Testing](#)) against Satan's argument in the Angelic Conflict Appeal Trial, he is subjected to satanic cross examination before the Supreme Court of Heaven. At this point, with all the intensified pressures placed on him, as a result of having developed Problem Solving Device #9 and completed the construction of his Edification Complex of the Soul, these pressures do nothing but enhance his inner happiness and mental stability while simultaneously making life miserable for those antagonizing him.

Therefore, the believer in The Lord Jesus the Christ, a Christian, has a primary responsibility to be HAPPY. God provided a way under his GRACE Plan to give happiness to every believer but the believer must begin with Grace Orientation to develop and possess it. In addition, to be happy he must have a Relaxed Mental Attitude, be reasonable, fair, non contentious and avoid maligning and slander, verbal sins and all Mental Attitude Sins and this can only occur when there is a completed construction of the Edification Complex of the Soul. The process of reaching the point of Sharing the Happiness of God starts with Authority Orientation and ends with HAPPINESS. To have personal inner happiness this begins with orienting to the various authorities in life and maintaining a completely relaxed attitude toward all in the Human Race, especially those who are personally obnoxious toward one. This results from constructing and using the Edification Complex of the Soul.

### **Completing the Edification Complex of the Soul**

Great resources of Bible Doctrine, God's Word, in the believer's soul are required to consistently develop to completion the Edification Complex in the soul. This "standard of thinking from doctrine" ([Rom 12:3](#)) provides the relationship between the functions of the various Gates of the Divine Dynasphere and the completion of construction of the Floors of the Edification Complex in the soul. [Eph 4:11](#) states that edification is one of God's primary purposes in giving the spiritual gift of pastor-teacher to males in this Church Age and continues in [Eph 4:14-16](#) to demonstrate the relationship between the Divine Dynasphere and the Edification Complex.

#### **Edification Complex of the Soul & the Divine Dynasphere**

<b>8th Floor – Sharing the Happiness of God</b> Gate #8 Divine Dynasphere
<b>7th Floor – Mastery of the Details of Life</b> Gate #8 Divine Dynasphere
<b>6th Floor – Relaxed Mental Attitude</b> Gate #6 Divine Dynasphere
<b>5th Floor – Functional Virtue – Impersonal, Unconditional Love</b> Gates #6, Divine Dynasphere
<b>4th Floor – Motivational Virtue – Personal Love for God</b> Gate #6, Divine Dynasphere
<b>3rd Floor – Bible Doctrine Orientation – Grace Apparatus for Perception</b> Gate #2 + #5, Divine Dynasphere
<b>2nd Floor – Humility – Authority Orientation</b> Gate #3, Divine Dynasphere – <a href="#">1Pet 5:5</a> , <a href="#">James 4:6</a>
<b>1st Floor – Grace Orientation</b> Gate #2 + #5, Divine Dynasphere – <a href="#">John 3:18</a> , <a href="#">John 3:36</a>
<b>Foundation – Filling of the Holy Spirit</b> Gate #1, Divine Dynasphere

The Divine Dynasphere, [the Power System of God](#), which is the Christian way of life, and the Edification Complex, which is the inner result of obeying God's mandates, merge at the ultimate objective of Sharing the Happiness of God and reaching Maturity Adjustment to the Justice of God. Therefore, from the foundation to the penthouse, the floors of the Edification Complex correspond to gates of the Power System of God and the Problem Solving Devices.

However, there is an occupational hazard for the believer who is in the process of developing the Edification Complex of the Soul or is in fact using the specific standards developed there to face and control adverse situations in his life. Extreme fatigue from loss of sleep or over working often can mean lack of utilization of Metabolized Bible Doctrine possessed in the Right Lobe of the Stream of Consciousness of the Soul and even can temporarily halt the construction

or neutralize the effectiveness of the Edification Complex of the Soul in addressing adversities in life.

### **The Process of Construction of the Edification Complex of the Soul**

(gr) Epignosis knowledge, Metabolized Bible Doctrine, cycles through the Right Lobe of the Stream of Consciousness of the Soul modifying the content of the Right Lobe of the Stream of Consciousness of the Soul changing the Frame of Reference, Norms and Standards, Scale of Values and all compartments of the Right Lobe of the Stream of Consciousness of the Soul. In addition (gr) Epignosis Bible Doctrine is then available for application to any circumstances or situations in life and is the basis for the construction of the Edification Complex of the Soul. Therefore, it is the accumulated Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul which builds the Edification Complex of the Soul and begins the removal of any Scar Tissue of the Soul which may be present from one's background development. For the believer who has failed to recover from carnality, the use of the **Rebound Procedure** along with persistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine is also the beginning the real recovery from reversionism. Believers are said to be Sanctified in the Church Age meaning they are 'Set Apart'. The concept is that believers in this Church Age are 'set apart' in the COSMOS, the world ruled by Satan under the Cosmic Dynaspheres which are based on **EVIL**. This occurs by means of their construction of the Edification Complex of the Soul from consistent Post Salvation Epistemological Rehabilitation by Perception, Cognition, Incultation, Metabolization and Application of Bible Doctrine. No unbeliever can have an Edification Complex of the Soul and no believer who is persistently carnal or persistently residing within the Cosmic Dynasphere can have a functional Edification Complex of the Soul. The Edification Complex of the Soul can only be constructed and remain functional in the believer who is consistent in Perception, Cognition, Incultation and Metabolization of Bible Doctrine, daily. Because the advancing adult and mature believer is in this way set apart it enables the believer to produce the reflected Glory of God from the Right Lobe of the Stream of Consciousness of his Soul in application of the metabolized Bible Doctrine accumulated there.

Any and all overt behavior pattern changes in one's life can be accomplished by an unbeliever and anything the unbeliever can do is not the Christian Way of Life and in fact Satan can counterfeit, and constantly tries to, everything and anything which Christianity has to offer EXCEPT the Edification Complex of the Soul. In **1John 2:16** there is a pseudo Edification Complex of the Soul which exists in the Cosmic Dynaspheres called the "PRIDE OF LIFE". However, there is no way the unbeliever in the Cosmic Dynasphere can duplicate the Edification Complex of the Soul or counterfeit it. God provides the Grace Apparatus for Perception for metabolizing Bible Doctrine and thus the potential for constructing the Edification Complex of the Soul. This is the mechanism for enabling production in the Plan of God and for glorification of God in time so that the believer receives the rewards from functioning in these areas. Construction of the Edification Complex of the Soul requires

Positive Volition toward Bible Doctrine where Apathy or Indifference toward Bible Doctrine is an expression of Negative Volition. When the believer functions under Positive Volition there must be Self Discipline to concentrate and exclude all distractions in life. The believer must find a Pastor Teacher who teaches expository Bible Doctrine consistently and dogmatically so that he can continue to use the [Grace Apparatus for Perception](#), Operation Z, when under conditions of both Adversity or great Prosperity. This develops Faith and initially the understanding of very basic Bible Doctrine such as the Rebound Procedure which must be used to maintain the [Filling of God the Holy Spirit](#) to enable the Grace Apparatus for Perception to function consistently. Over a period of time the believer will then erect the Edification Complex in his own soul from the categories of Metabolized Bible Doctrine accumulated there. This is NEVER a one shot decision or dedication but takes consistent, persistent Post Salvation Epistemological Rehabilitation. This, in fact, requires a SERIES of literally THOUSANDS of decisions to engage in function under the Grace Apparatus for Perception under the Filling of God the Holy Spirit to enable the eventual construction of the Edification Complex of the Soul. These decisions and functions cannot be driven by EMOTION but must be driven by motivation from [Metabolized Bible Doctrine](#) in the Right Lobe of the Stream of Consciousness of the Soul.

### **Positives of Spiritual Leadership & the Edification Complex of the Soul**

The greatest contributing factor to Christian leadership is the consistent function under the Grace Apparatus for Perception. The effective Pastor Teacher must possess these positives of spiritual leadership which are comparable to the floors of the Edification Complex of the Soul, in order to effectively provide through the Grace Apparatus for Perception the Bible Doctrine needed for the believer to complete the construction of his own Edification Complex of the Soul. These are also needed by every believer and are systematically and PROGRESSIVELY developed as he grows up in the Spiritual Life and include:

- Grace Orientation and treating others, especially those who cannot do anything for one with a GRACE love attitude.
- Stability of Mind from maximum Metabolized Bible Doctrine in the Right Lobe of the Soul therefore a Relaxed Mental Attitude.
- Freedom from Mental Attitude Sins which will cause instability in the Right Lobe of the Soul. ([Daniel](#))
  - Mental Attitude Sins cancel the proper function of the Right Lobe of the Stream of Consciousness of the Soul and result in having nothing left to function with but the Left Lobe of the Soul and Human Viewpoint derived from Evil.
- Being Just, Fair and Equitable with Objectivity and Inner Happiness related together.
- Being separated or set apart unto the Lord thus having capacity for Love and Life.
- Having capacity for Personal Love for God and advancement to Occupation with the Person of Jesus of Nazareth, the Christ.
  - This could refer to any category of personal love including one's spouse or friends as one develops Functional Virtue.
- Be self controlled and have a Mastery of the Details of Life thus NOT deriving happiness from the possession of the accouterments of life.

### [Adaptability from the Edification Complex of the Soul](#)

The edification structure of the soul is designed to stand up to the varying circumstances of life so that construction of the Edification Complex of the Soul brings adaptability which means that the believer rules the circumstances of life, they do not rule him. Adaptability involves instant orientation to rapidly changing circumstances in life. There are 9 rapidly changing circumstances which are connected with suffering because of the rapid change from one extreme to another extreme and these are going to be used to once again show the Reflected Glory of God in the Edification Complex of the Soul. Adaptability is a what is needed to weather the storms of life in either adversities or great unexpected prosperity. God gives the advancing or mature believer a series of rapidly changing circumstances as [Testing](#) or suffering for enhanced blessing. This is where one is subjected to the full brunt of adversity or incredible unexpected prosperity which often goes on and on, but this believer is ultimately able to orient and begin to discover some of God's wonderful provisions of Grace within that testing pressure. Adaptability is essential when there is a situation where a storm of adversity or prosperity strikes one, then disappears, then strikes again and disappears again, and this calls for the function of the believer using his Edification Complex of the Soul. In these rapidly changing circumstances the believer needs to realize that the inner resources of the soul are built up over a period of time by the consistent Perception, Cognition, Inculcation and Metabolization of Bible doctrine. The edification structure of the soul begins development with basic doctrinal principles and is progressively developed, solidified and expanded with continued, consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine. This erected structure can then adapt to rapidly changing circumstances without being destroyed. Therefore, when the winds of adversity or the glaring sunshine of prosperity in life come along with everything that could be disastrous or distracting, this structure in the soul can stand up under all of them. This required adaptability is the ability of a completed Edification Complex of the Soul to go from great adversity or great prosperity then to lack of this status and then back again into the cycle constantly adapting to the circumstances with proper application of Metabolized Bible Doctrine to them.

Therefore, antithetical circumstances demonstrate the ability of the Edification Complex to cope with a rapid change of situations or status in life and deliver proper application and problem solutions. The Edification Complex of the Soul therefore causes the believer to stand up under circumstances which change and cycle from adversity to prosperity so that the believer starts out with humility and moves instantly into the greatness of honor and integrity. These rapidly changing circumstances do not discourage or upset the believer's progress in the Spiritual Life and his adaptability is a sign of great spiritual stability. Therefore, the believer with a completed Edification Complex of the Soul is stabilized and adaptable and demonstrates the utilization of the Edification Complex of the Soul effectively in time of sudden disaster or completely unexpected prosperity. This Adaptability then manifests the believer's Grace Orientation; and is the flashing forth, the manifestation of the Reflected Glory of God by the Edification Complex of his Soul. Thus, increasing Stability of the believer is the first manifestation of the continued erection of the Edification Complex of the Soul in this intensified stage of the Angelic Conflict Appeal Trial. Adaptability is the perpetuation of the proper

functions of that Edifice or structure of the soul into the greatest possible storms of one's life. Therefore, the believer who fails to construct the Edification Complex of the Soul will, during rapidly changing circumstances, experience great suffering and disorientation. The believer with Adaptability is the one who orients to both condemnation and commendation without loss of happiness, without loss of his Relaxed Mental Attitude, who obviously has his Edification Complex of the Soul completed and intact. This believer's happiness does not depend on what people think about him nor on the circumstances of his life but depends only upon God, His Grace, His plan and His perfect agenda, the ultimate content used to construct the Edification Complex of the Soul.

### **Persistence in Constructing the Edification Complex of the Soul**

**Ps 23:5** is describing a believer who operates under the Grace Apparatus for Perception consistently. This was David who had no right to have the Grace blessing Cup but the GRACE Plan of God found a way to allow David to participate in this Grace Cup. David was a person who failed greater than most people ever could even imagine failing yet he expresses that his Cup of blessing from God constantly overflows. This was the Grace Plan of God keeping him alive in order that he could fulfill his part in that Plan. This was a direct result to David based on his persistent and consistent function under the Grace Apparatus for Perception so that every day he drank of the blessing in the Cup because of the Bible Doctrine he had metabolized into his soul. EVERY day there was always MORE in the Cup as blessing, just like occurred for the widow and Elijah, and just like what WILL occur for every believer who is consistent in Post Salvation Epistemological Rehabilitation by Perception, Cognition, Incultation and Metabolization of Bible Doctrine. If one feeds on the Word of God daily HE WILL NEVER RUN OUT OF FOOD. So it is pertinent to ask self, "Does my Cup run over right now, or has it run dry?" If any believer can say YES it is running over with blessing that is only because of his persistence in daily Perception, Cognition, Incultation and Metabolization of Bible Doctrine. This also results in advancement in the Christian Way of Life to the point of Sharing the Happiness of God which then provides acute awareness of the Grace of God. When the believer becomes totally aware of the overriding Grace of God as he completes construction of the Edification Complex of the Soul, he cannot help but LOVE the source of the inner happiness he shares. This source includes The Lord Jesus the Christ, God the Father and God the Holy Spirit, and this builds capacity for Category I LOVE, Personal Love for God and Occupation with the Person of The Lord Jesus, The Christ. These are the 2 KEY aspects of the **Integrity Envelope** of the Divine Dynasphere, the **Problem Solving Devices** and the Edification Complex of the Soul.

### **Results of Construction of the Edification Complex of the Soul**

Once the Edification Complex of the Soul is developed and the believer has reached **Maturity Adjustment to the Justice of God** he then produces Triple Compound **Divine Good**. He maintains the **Filling of God the Holy Spirit**, he consistently Exhales **Metabolized Bible Doctrine** in application to all of the exigencies of life and completes the construction of the Edification

Complex of the Soul, all which are the production of Divine Good. When the believer lacks [Divine Viewpoint](#) Norms and Standards and Scale of Values in the Right Lobe of the Stream of Consciousness of the Soul from lack of function under the [Grace Apparatus for Perception](#) and no Edification Complex of the Soul has been constructed they have NO Divine Good production. They do not function under the Filling of God the Holy Spirit, therefore, they cannot have Divine Good production which reaches a maximum effective level at Maturity Adjustment to the Justice of God. They contradict God by their professing that they know or have a relationship with God. Their useless Human Good production derived from the principles of Evil totally contradicts their profession of having a relationship with God. This believer is detestable and loathsome to God and his Plan from the point of GRACE as a result of his saturation with [Motivational Arrogance](#) and Mental Attitude Sins. The point is that when one's soul is under the constant control of the Old Sin Nature with constant Mental Attitude Sinning, anything which is done which may be beneficial for mankind is of absolutely no value in the Spiritual Life. These believers will have no trophies of GRACE blessings as rewards or decorations for their life in eternity.

In the process of building the Edification Complex of the Soul as the Norms and Standards and Scale of Values are modified by the consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine there is built up in the soul Honor and Integrity along with both Moral Courage and Battle Courage as more and more Functional Virtue is developed. Therefore, by the time one is physically old he should have accumulated a maximum level of Metabolized Bible Doctrine into the Stream of Consciousness of his Soul and thus completed the construction of the Edification Complex of the Soul so that he has a beautiful soul. OLD age strips the body of its glamour in order to emphasize the beauty of the soul and this is why the greatest beauty in life can belong to OLD AGE. Older men are to be Stabilized in their minds and their mind should become clearer about everything. The older man should be oriented to LIFE and GRACE and have a GREAT TIME in Old Age as a result of having completed the construction of his Edification Complex of the Soul. This is an emphasis on the fact that starting consistent Post Salvation Epistemological Rehabilitation by Perception, Cognition, Incultation and Metabolization of Bible Doctrine in youth will greatly benefit one because OLD AGE will not sneak up on him.

A "sound" or stable mind or mentality of the believer comes from maximum Metabolized Bible Doctrine accumulated in the Right Lobe of the Stream of Consciousness of the Soul to provide proper Norms and Standards, Scale of Values and Divine Viewpoint of life. It is the Construction of the Edification Complex of the Soul which stabilizes the soul completely and this has to be taught to younger people especially younger women. The construction of the Edification Complex of the Soul from function under the Grace Apparatus for Perception will bring to the unstable believer a restoration to RIGHT thinking with a sound stable mind. ([Tit 2:1-3](#))

Forced Slavery is and always has been a great result of Evil but Paul did not side track himself by condemning it. However, even under conditions of slavery believers could have maximum happiness from the Edification Complex of the Soul. As would be expected this would depend

on the consistent daily function under the Filling of God the Holy Spirit and Grace Apparatus for Perception to accumulate maximum Metabolized Bible Doctrine into the Right Lobe of the Soul and construct to completion the Edification Complex of the Soul. The application of this principle extends beyond slavery to believers categorized as 'LABOR' who are employed by someone and under supervisory authority. Every believer as a part of his Royal Ambassadorship is in full time Christian Service and representing Christ to Mankind. Therefore, all believers who work under the supervision of management authority must regard their job as their area of full time Christian service. Consequently, as a result of doing their job as unto the Lord, their first responsibility is to recognize and submit to the authority of management. With completion of the construction of the Edification Complex of the Soul this believer can then have maximum happiness and contentment in his employment.

Becoming Spiritually Self Sustaining is the result of consistently working to complete one's Edification Complex of the Soul and consistently moving toward reaching Maturity Adjustment to the Justice of God. The testimony of having an Edification Complex of the Soul is [Phil 1:21](#). Maximum GRACE orientation comes from completion of the Edification Complex of the Soul and by this the believer fulfills the purpose for which he remains in this life. In the Angelic Conflict, neutralization of the believer comes through FEAR and other Mental Attitude Sins. This results in that believer not being Spiritually Self Sustaining and stabilized as a result of NOT having an Edification Complex of the Soul and lacking Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of his Soul. However, as a result of having Maximum Metabolized Bible Doctrine in the Stream of Consciousness of the Soul the believer will be delivered physically from his unseen enemies and this deliverance will be from the source of GOD himself. This is also the means of the victory provided by God and the deliverance from the hostility of Satan, fallen angels and all attacks from all aspects of the Cosmic Dynaspheres, by means of His GRACE.

### **The Result of Sanctification of the Believer**

The greatest thing God can do for any believer is to make him like his son, The Lord Jesus the Christ. This is accomplished in 3 stages of sanctification all related to the Angelic Conflict.

- Phase I = Union with Christ as a result of the Baptism of God the Holy Spirit at the point of Salvation Adjustment to the Justice of God providing each believer with Positional Sanctification.
  - Because The Lord Jesus the Christ is seated at the right hand of God the Father and is superior to all angelic creatures, therefore, every believer, by virtue of being in union with Christ is superior to all angels.
  - Every believer as a part of positional sanctification SHARES all that Christ is and has as well.
- Phase II = Completing construction of the Edification Complex of the Soul and reaching Maturity Adjustment to the Justice of God.
  - By this means the SOUL of the believer with the Edification Complex of the Soul possesses that which is superior to the inner structure of angelic creatures.

- This Edification Complex of the Soul REFLECTS the Glory of God the Father because of being constructed of material (Metabolized Bible Doctrine) which preexisted creation itself as the Thinking of The Lord Jesus the Christ. ([1Cor 2:16](#))
- Phase III = Receiving a Resurrection Body exactly like that of The Lord Jesus the Christ for life in eternity with God.
  - This means that the BODY of the believer in Eternity will be superior to that of all angelic creatures as well since The Lord Jesus the Christ passed through all the hostile angels on his way to the Right Hand Seat with God the Father.

### **The Reflected Glory of God**

The Edification Complex of the Soul is something available to the Church Age believer through the accumulation of maximum Metabolized Bible Doctrine in his soul which is so unbelievable that most Christians cannot even begin to comprehend it. However it is not just hearing and understanding the Bible Doctrine which must occur but it must be accepted by Faith using [Operation Z](#) in order to [Metabolize the Bible Doctrine](#) into the Right Lobe of the Stream of Consciousness of the Soul and then construct the Edification Complex of the Soul. The Lord Jesus the Christ indwells the Church Age believer not only based on the believer being placed into union with Christ by means of the [Baptism of God the Holy Spirit](#) but also because the believer is mandated to develop the Edification Complex of the Soul which is a duplicate of the prototype Edification Complex in the Soul of The Lord Jesus the Christ. ([John 17:20-26](#))

The [Impersonal, Unconditional Love](#) constructed as the 5<sup>th</sup> floor of the Edification Complex of the Soul is obviously the Reflected Glory of God the Father and becomes fully functional when the believer has completed the construction of the Edification Complex in his Soul. This love actually predated the human soul by a period so long in the past it is truly incomprehensible. Therefore, it is something which Satan cannot counterfeit because it existed long before Satan existed, and in fact was not clearly understood by Satan when he proposed and carried out his revolution against God. The only way to acquire this Impersonal, Unconditional Love is through consistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine. This is the thinking which was in the mind of God in Eternity Past, given to us as Bible Doctrine. ([1Cor 2:16](#)) There is no human means of acquiring this Love and it REQUIRES the consistent function under the Plan of God using the Grace Apparatus for Perception under the Filling of God the Holy Spirit in order to accumulate a maximum level of Metabolized Bible Doctrine into the Right Lobe of the Stream of Consciousness of the Soul.

### **The Perceptible Reflected Glory of God**

The Edification Complex of the Soul is the built up Reflection of the Glory of God in the believer. ([John 17](#)) There are nine areas where the Reflected Glory of God in the believer is perceptible. In their descriptions in the original languages of scripture all of these nine areas have the same grammatical structure. They are all oriented by prepositional phrases which have the meaning of “in the sphere of”:

- “In the sphere of afflictions” — The term used in the scripture means the closing in of the walls until they crush one. This is a word which means outside pressure in life, mental pressure from distressing circumstances of life. Mental pressure reveals the Edification Complex of the Soul in the advancing or mature believer as the beauty of the new man in the soul.
- “In the sphere of compulsions” — The term used here in scripture means to compress, it means compulsion, it means to use torture, to be bullied, to have people intrude upon one’s volition, one’s privacy. It is actually used for some form of compulsion which can be threefold: loss of freedom, being bullied, being tortured. Loss of freedom is simply having someone sticking their nose in one’s personal business. Being bullied is having someone trying to force a false system of thinking or false actions on one. Being tortured, of course, is obviously some level of abuse either mental or physical.
- “In the sphere of distresses” — This term in scripture means excruciating pain of soul or body. It infers anguish, distress or troubles, thus a general term for troubles in life.
- “In the sphere of strife” — This term in the original scripture means wounds, blows, bruises, inferring some level of violence and is pointing out that the individual believer priest will invariably at times be subjected to various types of violence.
- “In the sphere of imprisonments” — This biblical term refers to unfair incarceration, being deprived unjustly of one’s normal functions and freedoms in life.
- “In the sphere of tumults” — The term here means revolutions, riots, mob actions including the suffering of political persecution. Therefore, even when the advancing believer is a victim during a riot, he can Reflect the Glory of God.
- “In the sphere of labors” — This word is used in scripture especially for being pestered, badgered, nagged and the resultant exhaustion this inevitably causes. This is the status of mothers at the end of the summer or at least used to be!
- “In the sphere of watchings” — This biblical term means to suffering from lack of sufficient sleep.
- “In the sphere of fasting” — This term means suffering from being deprived of food or because of not having basic necessities in life.

All of these are adversities, TESTINGS, which are designed by God to show, to demonstrate, the Edification Structure of the Soul of a growing or mature believer. In effect they are to show what the believer is wearing in his soul. These will show whether one wears the glory of the completed Edification Complex of the Soul or the rags from residence and function in the Cosmic Dynaspheres.

### **The Purpose of God for the Believer**

God has a purpose for the life of every believer and the only holdup to fulfilling that purpose is the necessity for complete construction of the Edification Complex of the Soul. Therefore, the true purpose of God for the life of the believer CANNOT be fulfilled until the Edification Complex of the Soul is completely constructed. The reality of the Spiritual Life is that there is NOTHING any person can do which can cause him to fulfill his purpose in the Plan of God UNTIL he completes the construction of his Edification Complex of the Soul. EVERYTHING which occurs in the life of the individual believer during his spiritual growth is preparation and provision of that which is necessary for the completed construction of the Edification Complex of the Soul and once this occurs then everything is production. Whether the believer is or is not building the Edification Complex in his soul is between him and the Lord. If he is NOT building the Edification Complex of the Soul he IS building [Scar Tissue of the Soul](#) from consistent residence in the [Cosmic Dynaspheres](#) and consistent degradation of his Spiritual Life in [Reversionism](#). However, once the Edification Complex of the Soul is completed that believer will never, NOT need, continued support from Bible Doctrine inculcation, but he will level off into production. HOWEVER, effective production of Divine Good in the Spiritual Life by the believer can only exist AFTER he has completed the Edification Complex of the Soul and reached the Status Quo of Maturity Adjustment to the Justice of God. This clearly indicates that [Doing Things for God](#), trying to serve God, prior to reaching Maturity Adjustment to the Justice of God is the delusion of “religious” Christianity and completely useless in the Grace Plan of God. The Edification Complex of the Soul is therefore extremely important and construction of it MAKES THE INDIVIDUAL BELIEVER PERSONALLY IMPORTANT in the Plan of God and that importance and productivity is measured in terms of the level of completion of the Edification Complex of the Soul.

The glory of the humanity of The Lord Jesus the Christ and the glory which is to be in every Church Age believer is the construction to completion of the Edification Complex of the Soul. The Lord Jesus the Christ pioneered the way for the Indwelling of God the Holy Spirit and Filling of God the Holy Spirit and He pioneered and rapidly completed the construction of his own Edification Complex of the Soul and thereby fulfilled the Reflected Glory of God the Father by means of it. He passes this on to every believer in the Church Age, and to fulfill this reflection of the Glory of God in the Church Age every believer:

- Is given the Indwelling of God the Holy Spirit and Filling of God the Holy Spirit at the instant of Salvation Adjustment to the Justice of God.
- Is commanded to maintain the Filling of God the Holy Spirit using consistently the GRACE provision of the [Rebound Procedure](#).

Thus the primary glory given to the Church Age believer results from his maintaining the Filling of God the Holy Spirit and consistently functioning under the Grace Apparatus for Perception to enable complete construction of his own Edification Complex of the Soul. This is to continue during his entire lifetime so that building his own Edification Complex of the Soul results in him reflecting the Glory of God the Father. Therefore, the Church Age believer is placed into in union with The Lord Jesus the Christ by the Baptism of God the Holy Spirit at the instant of his making Salvation Adjustment to the Justice of God. However, he can also be ONE with God the Father by means of that same Edification Complex of the Soul which is one of the things which ties him into the Royal Family of God. It is maximum Metabolized Bible

Doctrine accumulated from persistence in function under the Grace Apparatus for Perception which is the construction material for the Edification Complex of the Soul which brings to the believer the Thinking of Christ ([1Cor 2:16](#)) which is a reflection of the Glory of God which existed from Eternity Past.

Therefore, under [Operation Z](#), Bible Doctrine perceived is moved into the Human Spirit by God the Holy Spirit who cycles it instantly into the mentality of the Left Lobe of the Soul for clear understanding and comprehension. This is then thrown against the volition for a decision to accept or reject the doctrinal content. IF, maybe it will be and maybe not, it is accepted by Positive Volition toward that Bible Doctrine then under the Filling of God the Holy Spirit it is moved into the Right Lobe of the Stream of Consciousness of the Soul. It first moves into the Frame of Reference, where it is analyzed, integrated into the Frame of Reference and then distributed to the compartments of the soul and then can be used for construction of the Edification Complex of the Soul. This accumulated Metabolized Bible Doctrine which is used to construct the Edification Complex of the Soul is a build up of the Reflected Glory of God the Father, the Thinking of Christ from Eternity Past. In this Church Age where the believer is involved in the intensified stage of the Angelic Conflict Appeal Trial the Edification Complex of the Soul is the ONLY thing which the believer has which is internal and which Satan cannot counterfeit and duplicate. The Edification Complex of the Soul in fact is that which causes the world to know that God the Father sent the God the Son and has a plan for mankind. Therefore, the manifestation of the Plan of God the Father in the Church Age believer is the completed Edification Complex of the Soul. In addition the world by means of the believer's Edification Complex of the Soul will KNOW that God the Father loves them just as he loved the humanity of The Lord Jesus the Christ. Therefore, the Edification Complex of the Soul reflects the GLORY of God in the sphere of the Cosmic Dynaspheres of this world ruled by Satan and thus makes the world aware of the Impersonal, Unconditional Love of God. The fact is that the floors of the Edification Complex of the Soul are actually constructed from things which existed in Eternity Past, just as the Love of God the Father for The Lord Jesus the Christ existed in Eternity Past long before man existed and before creation occurred. Therefore, the Edification Complex of the Soul is composed of things which existed when only God the Father, God the Son and God the Holy Spirit existed in Eternity Past, then obviously, it is the Reflected Glory of God the Father.

### **Royal Ambassadorship & the Edification Complex of the Soul**

The world will only believe that God the Father sent the son when the presentation is accomplished through the divine design using Bible Doctrine. This can only be accomplished by the completed construction of the Edification Complex of the Soul as a result of the persistent residence and function of the believer in the [Divine Dynasphere](#). The Edification Complex of the Soul in this way will play a major part in providing that which will cause the World to take notice of The Lord Jesus the Christ.

### **The Petition of Christ for perpetuation of His GLORY**

The Lord Jesus the Christ prayed and demanded that God the Father sanctify believers in the Church Age who advance in the Spiritual Life and construct the Edification Complex of the Soul. ([John 17:20-26](#)) He was recognizing that God the Father in Eternity Past had a plan for EVERY believer for whom he was praying, ALL believers in the Church Age. His demand was for God the Father to set believers in the Church Age apart from the system of the Cosmic Dynaspheres. He could make this demand from his humanity because he knew all the details of the Plan of God based on his own constructed Edification Complex of the Soul. For the Church Age believer to be ‘set apart’ by God in this Church Age requires consistent Post Salvation Epistemological Rehabilitation from daily Perception, Cognition, Incultation and Metabolization of Bible Doctrine and using that Metabolized Bible Doctrine for the construction of the Edification Complex in his Soul. ([John 17:17](#)) The glorification of The Lord Jesus the Christ at his ascension occurred in heaven but there has to be glorification of him on earth and this is what is anticipated by this prayer. The believer in the Church Age is a Royal Priest, representing Self before God and Royal Ambassador for Christ, representing The Lord Jesus the Christ before mankind, therefore, there must be a reflection of the Glory of The Lord who is in session with God the Father and this is the Edification Complex of the Soul. The Lord Jesus the Christ was SENT by God the Father for the fulfillment of the central part of the Divine Decree however, being sent did not keep him from having a normal childhood and normal physical and spiritual growth and he therefore engaged in completely constructing his own Edification Complex of the Soul, at an early age.

The Angelic Conflict shifted drastically very shortly after Jesus prayed for these things and therefore, this was an anticipated need for a new type of Glory in this Church Age. This “new” glory for Phase II of the Plan of God for the Church Age Believer was the glory of His humanity and is the construction to completion of the Edification Complex of the Soul of the believer. The Lord Jesus the Christ prayed for this and also that each Church Age believer have a realization of the coming Phase III glory which is to be just like His. The Resurrection Body received by every Church Age believer at the Rapture of the Church is this “Ultimate Sanctification” and is an eternal body which is:

- Minus the Old Sin Nature
- Minus Human Good production

This will be the glory of the believer in eternity PLUS all the rewards under Grace received at the Judgment Seat of Jesus Christ for the production of Divine Good during his lifetime.

### **The Glories of Christ for the Believer**

The Glory of the incarnation of Christ, which came during the period of his Humility when he developed the Edification Complex of his Soul and deployed the Problem Solving Devices ([Luke 2:40](#), [Luke 2:52](#)) as a result of his study of the Word of God under the Grace Apparatus for Perception, is a Reflected Glory of God the Father. The glories given by God the Father to The Lord Jesus the Christ during his incarnation are then given to all of the Church Age believers. These glories which he gives to every believer in this Church Age are made available as a result of God the Holy Spirit indwelling and filling the believer and this never occurred ever before to any person prior to the Church Age because The Lord Jesus the Christ had not yet been glorified. ([John 7:39](#)) The Lord Jesus the Christ pioneered the indwelling and Filling of

God the Holy Spirit and the construction of the Edification Complex of the Soul fulfilling the concept of the Reflected Glory of God the Father during His lifetime and His ministry. To accomplish this same reflection of the Glory of God the Father the Church Age believer must be consistent in the use of the Grace [Rebound Procedure](#) to maintain the [Filling of God the Holy Spirit](#) and enable his function under the [Grace Apparatus for Perception](#) for Perception, Cognition, Incultation and Metabolization of Bible Doctrine.

The 2<sup>nd</sup> glory is the receipt by every believer of a Resurrection Body at the end of the Church Age and is the duplication of the Eternal Glory of The Lord Jesus the Christ. This may occur long after the life of the individual believer has ended but every Church Age believer will receive a Resurrection Body. This will inevitably devastate Satan when humans, who were created and existed in time LOWER than ALL angelic creatures, will then receive a body SUPERIOR to that of all angelic creatures and thus a glory far surpassing what they could have.

The believers receiving these glorious blessings are not part of a dispensation of great prophets, specialized priests, but a dispensation of ‘non-entities’, yet God demonstrates by this that he can accomplish with these non-entities of the Church Age what he did not accomplish with ALL of the GREAT Old Testament Scripture believers and what the fallen angels themselves rejected. The Lord Jesus the Christ became true humanity in order that every believer can be included in this picture. OBVIOUSLY, when a believer leaves the game plan of God he cannot fulfill his purpose in this life in the Plan of God. So, it is the Edification Complex of the Soul which reflects the GLORY of God within the world of the Cosmic Dynaspheres and thus makes the world aware of the Love of God for the believer. Everything in this process depended on the Resurrection of The Lord Jesus the Christ and the consistent operation of the Grace Apparatus for Perception in the lives of each believer. This being related to their causes and conditions, resulting in the Edification Complex of the Soul being completed thus providing the Reflected Glory of God, as part of an indivisible whole system all linked together.

### **The Legacy of Christ for the Church Age**

After the Ascension Christ led ‘captivity captive’ and gave Spiritual Gifts to Man to enable construction of the Edification Complex of the Soul. Thus there is the communication spiritual gift of Pastor Teacher given to males in the Church Age for the specific purpose of clearly presenting the principles and doctrines of the Word of God. ([1Cor 2:16](#)). There is also the canon of scripture as a legacy left and preserved by The Lord Jesus the Christ for the Church Age believers and the ability through the Grace Apparatus for Perception, Operation Z, to comprehend it completely. Therefore, there is no part of the Word of God which cannot be mastered by EVERY believer simply because ALL scripture is designed to be understood. This is the Manna for the Church Age. Therefore, clearly the most important thing in the life of the believer is the daily intake of Bible Doctrine under a qualified and prepared Pastor Teacher. Thus to benefit from this legacy the individual believer must avail himself of the teaching of Bible Doctrine in a Categorical, Exegetical and Isagogic manner and this is the only way that the Edification Complex of the Soul is developed and this is the only way that the believer can become Spiritually Self Sustaining.

### **The Failure of the Edification Complex of the Soul**

The advancing adult and mature believer can have a developed Edification Complex of the Soul but it may not be functioning at all times effectively. It is the Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul which when cycled through the structure of the soul which enables the construction of the Edification Complex of the Soul and then applied in life. In the Plan of God and Purpose of God for mankind, He keeps the believer alive in this world so that he can provide him with perfect happiness while he still lives in the world ruled by Satan under the Cosmic Dynaspheres. Even today, though this world has truly gone mad in 2024, the believer who uses consistent Positive Volition toward Bible Doctrine can still have the perfect happiness of God. However, the believer may lack this happiness because his out of control Emotion overshadows the proper function of his Edification Complex of the Soul. As an example, he may have a capacity for LOVE which is very great but as a result of a loss of the one he loves very much he comes under incredible out of control Grief. There are 2 ways to Grieve for a loved one who has been lost to death:

- The Right Way, the Bible Way
  - This is grieving is a way compatible with one's developed Edification Complex of the Soul.
- The Wrong Way, the Emotional Way
  - This is grieving under Emotional Arrogance or Emotional Revolt of the Soul in reversionism.

There are 2 aspects or categories of Emotion:

- Positive Emotion = an emotional appreciation for some pleasant experience or incident which is one of the greatest blessings in life.
- Negative Emotion = an emotional response to some unpleasant experience or incident like DEATH of a loved one which is one of the worst things in life because it blinds one to Absolute TRUTH which he may already know.

Death of a loved one and the resulting Grief is one of the key pressures of life where a loved one leaves this life and the individual has to remain behind without them. Having a completed Edification Complex of the Soul one should be able overcome this but they often fail by a very thin line because of a flooding of the Right Lobe of the Soul with EMOTION. When grief is extremely intense everything involving that person is turned inward and he becomes totally subjective as a result of excessive emotional activity as a result of the intensify of his Grief. Despite having maximum Metabolized Bible Doctrine and a completed Edification Complex of the Soul the believer can still be totally disoriented to the situation because the EMOTION of his Grief was out of line with and totally overwhelming his Edification Complex of the Soul.

### **REALITY**

Reality is Truth and Truth is reality. However experientially, Reality lies in what people think NOT in the truth of any given situation or circumstance. Thinking that a falsehood is true

makes that fallacy true to one thinking it is true. This is what occurs, and has been occurring in the United States of America for many years, whenever someone gossips or maligns or judges another and this is why people LIVE something which is false, the LIE. Consequently, what a person thinks, is true to him, whether it is true in reality or NOT. Therefore, Reality is found in what people think or believe. Believing is a system of nonmeritorious thinking and can be positive when things like Bible Doctrine are involved and negative when falsehoods or abstract theories are involved. One can believe a LIE, which very often occurs when people become entangled in the LIE of Cosmic Dynasphere I, the [Interlocking System of Arrogance](#), or Cosmic Dynasphere II, the [Interlocking System of Antagonistic Emotional Hatred](#).

Anything which stimulates the mentality of the soul can potentially activate the emotions which can be either the appreciator or the blinder of the soul thus the emotion works in both negative and positive ways. Negative emotion is a blinder while positive emotion is an appreciator of the external stimuli. One can have the greatest experiences in life from the emotion of the soul but he can also have the greatest misery in life if the negative emotion overloads the mentality of the soul as occurs in Emotional Arrogance and Emotional Revolt of the Soul. Negative emotion is not necessarily a sin but it can be backed up with sin or originated by sin. A perfect example is Self Pity Arrogance which is both arrogance and a sin and this can easily cause excessive negative emotion. Grief as an expression of love can be a wonderful thing if one does not feel sorry for self and engage in self pity.

The difficulty starts even in the mature believer when Excessive Negative Emotion short circuits the Right Lobe of the Stream of Consciousness of the Soul so that the Frame of Reference, Norms and Standards, Scale of Values lose [Grace Orientation](#) and [Divine Viewpoint](#) perspective. By this means it is possible for the negative emotional pattern of the soul to frustrate the application of [Metabolized Bible Doctrine](#) from the Right Lobe of the Stream of Consciousness of the Soul. Negative emotion has the potential to produce an excess which overwhelms the mentality of the soul and blocks proper function and application from one's Edification Complex of the Soul. This results in the believer being enslaved by Negative Emotion. Negative Emotion hinders the function of the Grace Apparatus for Perception in the life of the believer and can cause the believer to neglect Bible Doctrine and move into false concepts such as the tongues movement. ([2Cor 6:11-12](#), [Rom 16:17-18](#)) Thus the believer becomes blinded in both the intake and output of Bible Doctrine and then leads the believer into false concepts and activities which are distorted emotional activities. Paul failed as a teacher in Corinth NOT because he was a poor teacher but because the Corinthians were overloaded with negative emotion which caused the Corinthians to malfunction in the Grace Apparatus for Perception and become unable to metabolize Bible Doctrine.

Therefore, both sorrow and Negative Emotion can take the believer "out of bounds" in the Christian Way of Life where Divine Viewpoint is LOST and the believer cannot learn Bible Doctrine. Divine Viewpoint from the saturation of the soul with Metabolized Bible Doctrine which results from a completed Edification Complex of the Soul is essential for the believer to function effectively in Phase II of the Plan of God. Excessive Negative Emotion shorts out the Frame of Reference functions and thus the value of the Edification Complex of the Soul and its

Metabolized Bible Doctrine can be lost temporarily. The true criterion for the LIFE of the believer is Divine Viewpoint thinking derived from Metabolized Bible Doctrine. The False Criterion for one's life is what the individual thinks as Human Viewpoint derived from Evil in the Cosmic Dynaspheres. When the believer's soul is under the control her negative Emotion from Grief or sorrow or as a result of some overriding sin, the Right Lobe of the Soul is short circuited so that Metabolized Bible Doctrine is not being applied. Therefore, this believer is not thinking based on Truth and is in fact actually under slavery to Negative Emotion as Emotional Arrogance or Emotional Revolt of the Soul. In contrast, Positive Emotion is one's friend and NEVER Controls the soul while Negative Emotion overwhelms the Right Lobe of the Stream of Consciousness of the Soul and makes one a slave to it. The solution to this problem is to recover from negative emotion and this requires returning to function under the Grace Apparatus for Perception. The point is no matter how great one may be as a believer once he allows Negative Emotion into the soul the only way to flush is out is by consistent function under the Grace Apparatus for Perception, Cognition, Incultation and Metabolization of Bible Doctrine. Therefore even believers who have reached Maturity Adjustment to the Justice of God must have the daily function under the Grace Apparatus for Perception for consistent Post Salvation Epistemological Rehabilitation.

### **Short Circuit Systems for the Soul**

There are short circuit systems which are able to disrupt the soul and negative emotion though not sinful as such does the same thing as Mental Attitude Sins. Many Mental Attitude Sins have the potential to trigger negative emotion and disrupt function of the Edification Complex of the Soul and the application of Bible Doctrine. Hatred when expressed in violence is driven by Negative Emotion and all the compassion, kindness and love one may have is instantly gone and what remains is a maniac trying to kill. Excessive negative emotion always results in a 'hangover' which is despondency which often brings on a frame of mind for suicide. This system of Short Circuit in the Stream of Consciousness of the Soul results in failure of proper function of the Edification Complex of the Soul and failure in the Application of Metabolized Bible Doctrine. Even with a completed Edification Complex of the Soul the believer has still not reached sinless perfection. Completing construction of the Edification Complex of the Soul and reaching Maturity Adjustment to the Justice of God is the basis for effective Divine Good production by the believer but it does not make that believer a perfect spiritual giant. The short circuit in the Right Lobe of the Soul is the failure of the Edification Complex of the Soul to throw out light into the soul this is the failure of the Right Lobe of the Stream of Consciousness of the Soul to function under some stress. There are several causes for the Short Circuit of the Right Lobe of the Soul with malfunction of the Grace Apparatus for Perception and the Edification Complex of the Soul 2 which are:

- Mental Attitude Sins (Daniel) – these produce incredible Self Induced Misery and destroy the Metabolized Bible Doctrine content of the Right Lobe of the Stream of Consciousness of the Soul.
- Negative Emotion – Mary Magdalene at the empty tomb after the burial of The Lord Jesus the Christ. ([John 20:14-16](#))
  - This floods and overwhelms the Right Lobe of the Stream of Consciousness of the Soul and controls it completely through the Old Sin Nature resulting in the person making

erroneous conclusions without facts and a complete breakdown of the Faith Rest Drill

(5 Stages).

- Even a believer in Maturity Adjustment to the Justice of God can still fail though he has greater protection as a result of his greater stability from the completed Edification Complex of the Soul. (David in Operation Bathsheba)

The answer to the short circuit factors is 2 fold:

- Awareness brought on through Divine Discipline
- Rebound and consistent function under the Grace Apparatus for Perception, Cognition, Inculcation and Metabolization of Bible Doctrine.

## **Grace Apparatus for Perception – Operation Z**

**Operation Z** is the structured involvement and mechanical process of learning Bible Doctrine based on the Filling of God the Holy Spirit under his mentorship ministry and with the believer functioning under Positive Volition Faith as a non-meritorious system of perception. It begins when the Pastor Teacher teaches Bible Doctrine which God the Holy Spirit takes, when Positive Volition exists on the part of the believer, and moves into the Human Spirit. Simultaneously God the Holy Spirit moves this Doctrine from the Human Spirit into the Left Lobe of the Soul, in order for it to become academic knowledge, (gr) gnosis, for academic comprehension. Here the understood or comprehended Bible Doctrine is staged for the believer to use his volition to accept or reject it on the basis of nonmeritorious Faith. Accepting the Bible Doctrine by faith results in its being transferred again by God the Holy Spirit to the Right Lobe of the Stream of Consciousness of the Soul becoming “epignosis” knowledge or Metabolized Bible Doctrine. In the Right Lobe of the Stream of Consciousness of the Soul accumulation of this “metabolized” or accepted Bible Doctrine then saturates the compartments of the soul and transforms the soul of the believer. It eventually becomes sufficient in its accumulation and acceptance for application to life as wisdom, (gr) sophia. This process is a GRACE benefit from God and is therefore labeled the Grace Apparatus for Perception.

This is the mechanic for the Perception, Cognition, Incultation and Metabolization of Bible Doctrine for the believer based on the ministry and Filling of God the Holy Spirit under Operation Z. This involves the Concepts and Principles of the 4 Rs:

### **4 Rs of Perception, Cognition, Incultation and Metabolization of Bible Doctrine**

- ▲ Reception – the consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine under Stage 1 of the Faith Rest Drill (5 categories)•
- ▲ Retention – the Faith transfer of the learned Bible Doctrine under the ministry of God the Holy Spirit to the Right Lobe of the Stream of Consciousness of the Soul where it is stored as memory, vocabulary and categories of Bible Doctrine modifying the Frame of Reference and Norms and Standards of the soul.
- ▲ Recall – the Faith application of Bible Doctrine by the:
  - Claiming one or more of the 7000+ promises of God in the bible.
  - Using doctrinal principles to support these promises.
  - Developing doctrinal Rationales from the combination of these promises and principles.
  - Reaching doctrinal conclusions to control or overcome the situation.
- ▲ Resistance – to the influence of Evil and temptations from the Old Sin Nature to engage in functions within the Cosmic Dynaspheres.

### **Malfunction of the Grace Apparatus for Perception**

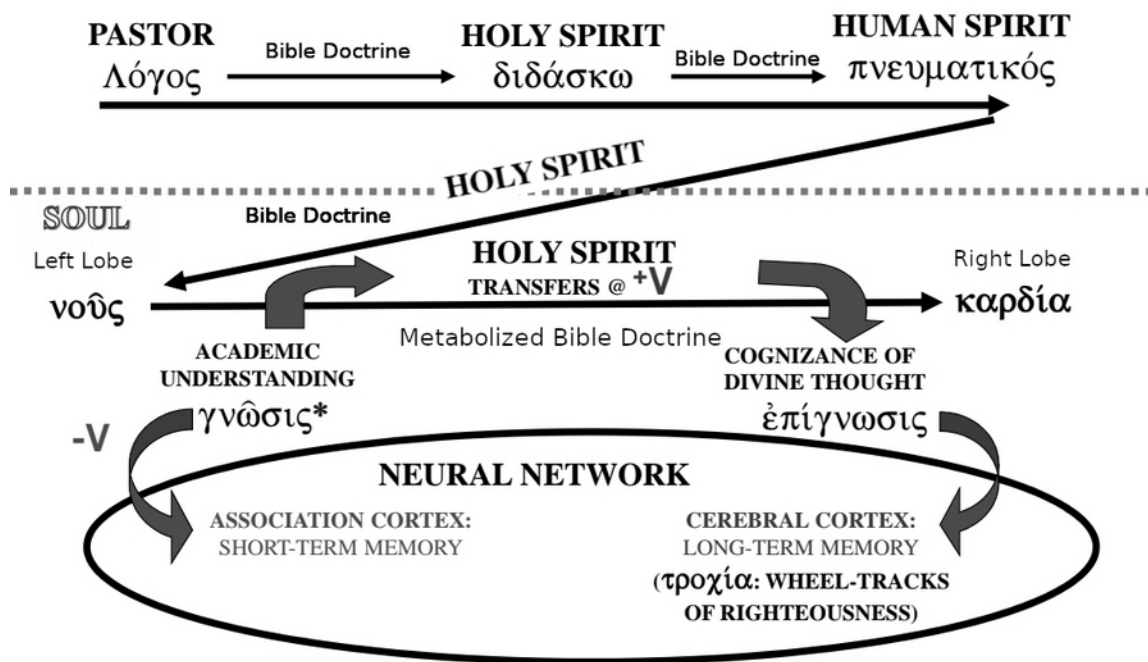

If one does not transfer academic knowledge accumulated in the Left Lobe of the Soul into the Right Lobe of the Stream of Consciousness of the Soul by faith he cannot develop Divine Viewpoint thinking to apply to situations. When a believer tries to apply what has been

accumulated in the Left Lobe of the Soul as academic knowledge he always ends with Human Viewpoint thinking because the Left Lobe of the Soul merges this knowledge into his background conscience and unbeliever Norms and Standards to provide application. Therefore, one cannot apply Bible Doctrine from the Left Lobe of the Soul to any situation as (gr) gnosis because he will apply it in a Human Viewpoint application because the application would be drawn from the background conscience built up from childhood to the point of Salvation Adjustment to the Justice of God. For application of Bible Doctrine to circumstances in life the believer needs to draw on the Norms and Standards of his Right Lobe of the Stream of Consciousness of the Soul where Bible Doctrine has been “metabolized” by faith and then come to Divine Viewpoint Doctrinal conclusions from these Norms and Standards. This emphasizes the importance of the completion of FAITH PERCEPTION under Operation Z the Grace Apparatus for Perception. Even clearly understanding a situation or circumstance in life but NOT merging this understanding into the Bible Doctrine of the Plan of God metabolized into the Right Lobe of the Stream of Consciousness of the Soul by FAITH will result in failure to come to effective solutions. This results every time when Bible Doctrine is not metabolized into the Right Lobe of the Stream of Consciousness of the Soul by faith and cycled in the Right Lobe of the Soul to modify the Frame of Reference and Norms and Standards so that there will only be Human Viewpoint available for application from background Norms and Standards and Frame of Reference, NO Divine Viewpoint.

## Operation Z

### Grace Apparatus for Perception – Operation Z

1 Corinthians 2:1-16

## **Faith Rest Drill** (5 stages)

### **Stage #1 – Faith Perception**

Under the ministry of [God the Holy Spirit](#) and functioning through the [Grace Apparatus for Perception](#), Operation Z the believer under Positive Volition motivation inculcates Bible Doctrine and by faith acceptance of it metabolizes it into the Right Lobe of the Stream of Consciousness of the Soul as (gr) Epignosis Doctrine. This Metabolized Bible Doctrine is then available to be used for application to the situations and circumstances of his life.

### **Stage #2 – Claiming Promises**

From the [Metabolized Bible Doctrine](#) in his Right Lobe of the Stream of Consciousness of the Soul the believer extracts any of the over 7000 promises from God found in the scripture to stabilize his thinking when he is under outside pressure from adversity or prosperity in his life.

### **Stage #3 – Adding Supportive Doctrinal Principles**

From the Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of his Soul the believer adds individual inculcated (gr) Epignosis Bible Doctrine principles to the promises to support them in order to further stabilize his thinking under pressure.

### **Stage #4 – Forming Bible Doctrine Rationales**

From the Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of his Soul the believer takes the combined Promises of God and the Principles of Bible Doctrine and merges these with Categories of Bible Doctrine to form Rational Thinking as Doctrinal Rationales to solidify his Divine Viewpoint thinking under the outside pressures of life.

### **Stage #5 – Reaching Bible Doctrinal Conclusions**

From the Promises, Principles, Categories and Rationales of Bible Doctrine recalled and developed from the Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of his Soul the believer then reaches Doctrinal Divine Viewpoint Conclusions which SOLVE whatever the problem may be and CONTROLS whatever circumstance or situation he finds himself under.

## **Reversionism**

This is truly a 9 stage process in the soul of the believer where he reverts to a status in his Spiritual Life which is equivalent to his being an Unbeliever as a result of rejection of Bible Doctrine. It is a reversal of priorities, attitudes, affections, accompanied by the destruction of impersonal love, and a change in his manner of operation and personality to what it was prior to Salvation Adjustment to the Justice of God. This entry as does the entrance into the Interlocking System of Arrogance and Interlocking System of Antagonistic Emotional Hatred begins with some level of Initial Negative Volition toward Bible Doctrine and includes:

- Initial Negative Volition toward Bible Doctrine
- Reaction & Distraction from the Spiritual Life
- Frantic Search for Happiness
- Operation Boomerang
- Emotional Revolt of the Soul
- Locked in Negative Volition
- Black Out of the Soul
- Scar Tissue of the Soul
- Reverse Process Reversionism

### **Definition of Reversionism**

To revert means: to come or go back, as to a former condition, period, or subject, to return to an ancestral type. Reversionism is the believer returning to the condition or ancestral type which he occupied prior to making Salvation Adjustment to the Justice of God through faith alone in The Lord Jesus, The Christ alone. ([2Pet 2:20-21](#), [James 4:4](#), [1Tim 1:19](#), [2Tim 2:13](#), [2John 9](#), [James 1:22-24](#), [Prov 14:14](#), [Hos 10:2](#))

### **Preliminary Negative Volition toward Bible Doctrine**

This is the initial rejection, disinterest or indifference of the believer regarding the realm of Bible Doctrine from scripture, and also of the unbeliever with regard to the Bible Doctrine principles related to the [Laws of Divine Establishment](#) and [Divine Institutions](#) provided for the protection of the Human Race by God.

### **Reaction and Distraction**

This believer tends to react to obnoxious or irritating individuals, groups, organizations, situations, circumstances or conditions in his life instead of using Bible Doctrine and Impersonal Unconditional Love for Mankind to respond to them and focus on the Plan of God and Purpose of God for his life.

### **Frantic Search for Happiness**

The believer who is consistently reacting to situations and individuals in his life discerns that his life is one of misery and becomes determined to find some system or thing which will bring him happiness.

### **Operation Boomerang**

The believer Frantically searching for Happiness has not achieved what he sought by focusing on the details of life but has invariably provided greater Self Induced Misery for himself. This causes intensification of Negative Volition toward God's Grace system and a greater Reaction to

circumstances in his life with a huge intensification of his search for something that will bring him happiness.

### **Emotional Revolt of the Soul**

Emotion, which is designed to RESPOND to the thinking of the soul, as a result of involvement in the prior stages of reversionism revolts and takes control of the soul forcing the mentality of the soul to the side.

### **Locked In Negative Volition**

At this stage of reversionism the Negative Volition of the believer interlocks with [Negative Volition Arrogance](#) and possibly [Negative Volition Antagonistic Emotional Hatred](#) so that he tends to become saturated in Arrogance and possibly totally antagonistic and HOSTILE toward Bible Doctrine, God and the Grace Plan of God.

### **Black Out of the Soul**

Locked in Negative Volition prevents the acceptance of Bible Doctrine so that it cannot be metabolized and this sets up a vacuum in the Soul which must be filled with information and thus draws in information but the only thing left to assimilate are the LIES of the principles of EVIL, the Plan of Satan.

### **Scar Tissue of the Soul**

The believer accumulating the LIES of EVIL causes his soul to become damaged and scarred and therefore unable to learn, process, accept or circulate Bible Doctrine.

### **Reverse Process Reversionism**

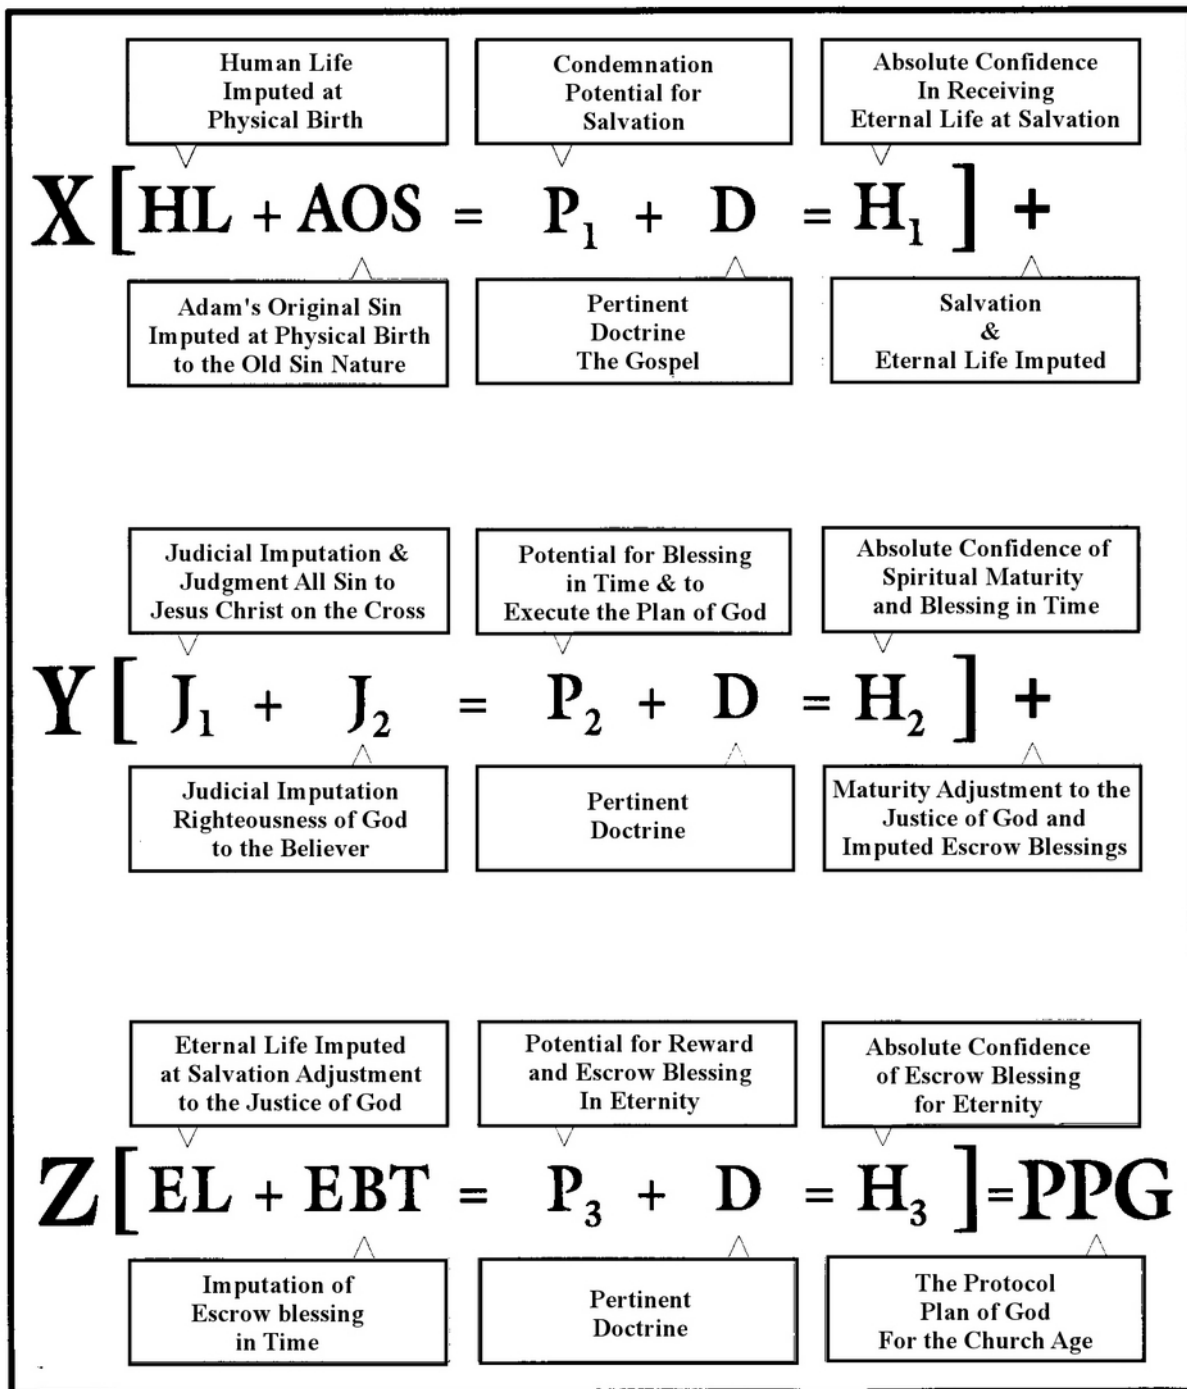

This is the PEAK of Christian Apostasy, and often Degeneracy and Antagonism toward the Grace Plan of God with total acceptance of the Plan of Satan driving him back into a Status Quo equivalent to the unbeliever but still possessing Eternal Life Salvation.

For a more detailed explanation of the process and 8 stages of reversionism see:

## Doctrinal Rationales

God keeps the believer alive for a reason and no believer could ever survive in the world ruled by Satan without God's Logistical Grace support. The believer is a royal priest and must take responsibility for representing himself before God in both successes and failures. He is a royal ambassador and is delegated the responsibility of representing The Lord Jesus the Christ to Mankind in his thinking and overt actions.

The Development of the function of the believer under the Faith Rest Drill <sup>(5 Stages)</sup> ultimately comes to where he can take Bible Doctrine promises provided by God from the Word of God and combine them with Bible Doctrine Principles and form these into Bible Doctrine Rationales to be used to come to Divine Viewpoint, Bible Doctrine Oriented, conclusions about the situations or circumstances in his life and there by to SOLVE all his life's pressures, adversities and problems. Some of the Bible Doctrine Rationales are:

([1Cor 2:16](#)) This thinking system results in Confidence ([2Cor 5:1](#), [2Cor 6:8](#)), Stability ([Phil 4:7](#), [2Thes 2:2](#)), Inner Happiness and Contentment ([Phil 2:2](#)), Grace Orientation, Capacity to Love God and a Relaxed Mental Attitude toward people ([1Cor 13:4-8](#), [1John 4:19](#)).

This walk through the death shadowed valley for the mature believer is one of inner peace and tranquility.

**Election** – The recognition by God before creation in Eternity Past of those who would make Salvation Adjustment to the Justice of God and the Sovereign Free Will decision of God to set apart for privilege these individuals based on their own free will decisions to make Salvation Adjustment to the Justice of God through Faith alone in The Lord Jesus the Christ Alone.

**Evidence Testing** – This is testing only for the believer who has reached Maturity Adjustment to the Justice of God and continued through No Man's Land to Advanced Maturity Adjustment to the Justice of God where he has reached the pinnacle of the Spiritual Life and is where his Spiritual Life is brought up before the Supreme Court of Heaven as a PRIMARY witness for the prosecution, The Lord Jesus, The Christ, to be subjected to cross examination by Satan who attempts to discredit his entire spiritual life.

**Expiation** – Payment of or cancellation of an unpayable debt, it describes the result of the Substitutionary Spiritual Death of Christ on the cross with regard to the unpayable penalty of human sin.

**Fear** – A part of [Emotional Revolt of the Soul](#) which is antithetical to Courage and [Poise](#) and the believer is constantly commanded to NOT FEAR anything at any time. ([Deut 31:3-6](#), [2Tim 1:7](#))

**Genuine Humility** – The Self Discipline which results in voluntary volitional conformity to the ABSOLUTE AUTHORITY of the Sovereignty of God and Bible Doctrine principles including the Laws of Divine Establishment, Divine Institutions and the entire content of Bible Doctrine developed as a result of properly functioning under Enforced Humility to develop Self Discipline.

**Grace Apparatus for Perception** – The mechanic for the Perception, Cognition, Incultation and Metabolization of Bible Doctrine for the believer based on the ministry and Filling of God the Holy Spirit under [Operation Z](#). This involves the Concepts and Principles of the 4 Rs:

- Reception – the consistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine under Stage 1 of the Faith Rest Drill (4 categories)•

- Retention – the Faith transfer of the learned Bible Doctrine under the ministry of God the Holy Spirit to the Right Lobe of the Stream of Consciousness of the Soul where it is stored as memory, vocabulary and categories of Bible Doctrine
- Recall – the Faith application of Bible Doctrine by the:
  - Claiming one or more of the 7000+ promises of God in the bible.

**Human Viewpoint** – A system of thinking, values, problem solutions and orientation of the Soul of either the believer or unbeliever based on involvement with EVIL which is totally antithetical to Divine Viewpoint thinking, values, problem solutions and orientation based on GRACE as revealed by the Word of God.

**ICE** – This is an acronym for Isogogics, Categories, Exegesis as analytical tools in the overall method of interpretation of scripture where Isogogics is interpretation of biblical text within its historical context, Categories is classification of Bible Doctrines according to subject matter based on comparisons of scripture with scripture, Exegesis is a grammatical, etymological, syntactical and contextual analysis of scripture from the original Greek, Hebrew and Aramaic languages.

Each Church Age believer will be called to give an account of himself and will receive rewards based on his spiritual advance and Divine Good production during his lifetime.

**Justification** – to vindicate or declare righteous, it is a judicial act of vindication of the believer as a result of having received and possessing the Righteousness of God at Salvation Adjustment to the Justice of God. ([Rom 3:20-28](#))

**Kardia** – Greek for Heart referring to the Right Lobe of the Stream of Consciousness of the Soul.

**Laws of Divine Establishment** – Laws or rules God has ordained for the survival, protection and freedom of the human race during the course of human history to allow completion of the Angelic Conflict appeal. **Loser Believer** – The loser believer combines emotional sins of the Interlocking System of Hatred and arrogance sins of the Interlocking System of Arrogance and functions under the 3 Arrogance Skills. He has problem solving incompetence resulting in perpetual carnality and has severely neglected or totally rejected Bible Doctrine and as a result is the Enemy of the Cross, the Enemy of God, and has become a Hater of God. ([John 15:23](#))

**Maturity Adjustment to the Justice of God** – Is the result of the believer fulfilling the Plan of God and his purpose in life of consistent and persistent Perception, Cognition, Inculcation and Metabolization of Bible Doctrine moving from Salvation Adjustment to the Justice of God and spiritual infancy through progressive stages of development to Spiritual Maturity having accumulated a maximum quantity of Bible Doctrine in his Right Lobe of the Stream of Consciousness of the Soul. It is where he receives a package of 6 categories of incredible blessings for his life in time and a guarantee of special blessings for his life in eternity.

**Metabolized Bible Doctrine** – Bible doctrine which has been taught, understood academically and accepted by faith under the ministry and Filling of God the Holy Spirit therefore usable for application to life's experiences.

**Momentum Testing** – 5 Categories of Suffering for blessing and enhanced momentum in one's advance in the Spiritual Life occurring in varying stages of the Sophisticated Spiritual Life with Providential Preventative Momentum Testing Suffering beginning at Spiritual Self Esteem and having 2 levels in Spiritual Autonomy and intensified Momentum Testing in Intermediate Spiritual Maturity culminating in Evidence Testing in 1 of 2 categories in Advanced Maturity Adjustment to the Justice of God. These 5 initial categories include testing from:

- Thoughts
- People
- Systems
- Disasters
- Prosperity

occurring in one's interactions in life.

**Nous** – (Gr) the Left Lobe of the Soul where academic comprehension or understand of Bible Doctrine occurs when it is perceived.

**Non-Essentials** – The accoutrements and accouterments of life, the DETAILS of life, over and above Bible Doctrine.

**Operation Z** – The structured involvement and mechanical process of learning Bible Doctrine based on the Filling of God the Holy Spirit and Positive Volition Faith as a non-meritorious system of perception on the part of the believer. It involves God the Holy Spirit providing Bible Doctrine to the Human Spirit when it is taught by a qualified prepared Pastor Teacher. This Doctrine is then in addition transferred to the Left Lobe of the Soul for academic comprehension where it is staged for the believer to accept or reject it on the basis of Faith.

Accepting the Bible Doctrine by faith results in its being transferred by God the Holy Spirit to the Right Lobe of the Stream of Consciousness of the Soul for saturation of the compartments of the soul and eventual application to life. This process is a GRACE benefit from God and is therefore labeled the [Grace Apparatus for Perception](#).

**Organizational Humility** – Conformity to a systematic plan, policy and purpose developed under some system or organizational function in life based on the delegated authority from God and the Divine Institutions.

**Poise** – Humility under pressure, therefore humility is not only the [Foundation of Virtue](#) but gives the ability to THINK under pressure thus provides for the development of [Courage](#) and courage and poise are the covering of thinking with glory. Poise is part of the [Functional Virtue](#) of Courage and is a category of Courage giving one the ability to think under pressure which is the definition of true Courage. Poise is very important in Academic Discipline so that when one hears things he disagrees with or cannot grasp initially there must be poise, ie. no reaction, no disturbance, to distract others concentrating on what is being taught. Poise as the ability to think under pressure requires concentration and having concentration ability when learning Bible Doctrine carries over into every aspect of life so that whatever one does in life he will be able to concentrate on. Facing Pressures in life with Poise means that there is concentration to focus the problem ON TO Bible Doctrine whether it is the result of prosperity or adversity in life. Courage with Poise and Concentration transfers knowledge which is in the soul onto the situation no matter what the subject matter is nor the situation. Poise and Concentration brings with them Objectivity which is expressed as good manners and thoughtfulness about others. This is the ability to NOT make an issue of self so others can learn or enjoy. Poise is the combination of Objectivity in life, therefore [Enforced](#) and [Genuine Humility](#), with [Courage](#) and is therefore a clear manifestation of Courage. ([Deut 31:8](#), [Josh 8:1](#)) When the believer loses his Poise he inevitably succumbs to [Fear](#) and decisiveness is lost and decisions will be BAD Decisions from a position of weakness as a result of his having left the Divine Dynasphere and entered into the Cosmic Dynaspheres. ([1Chron 28:20](#))

**Problem Solving Devices** – The mechanics for overcoming all pressure, adversity, disaster and testing in the life of the believer as he advances in the Spiritual Life. There are 10 Problem Solving Devices including; Rebound, Filling of God the Holy Spirit, Faith Rest Drill, Grace Orientation, Bible Doctrine Orientation, Personal Sense of Destiny, Personal Love for God the Father, Impersonal Love for Mankind, Sharing the Happiness of God, Occupation with the Person of The Lord Jesus, The Christ.

**Reversionism** – This is truly a 9 stage process in the soul of the believer where he reverts to a status in his Spiritual Life which is equivalent to his being an Unbeliever as a result of rejection of Bible Doctrine. It is a reversal of priorities, attitudes, affections, accompanied by the destruction of impersonal love, and a change in his manner of operation and personality to what it was prior to Salvation Adjustment to the Justice of God. These stages are:

- Initial Negative Volition toward Bible Doctrine
- Reaction & Distraction from the Spiritual Life
- Frantic Search for Happiness
- Operation Boomerang
- Emotional Revolt of the Soul
- Locked in Negative Volition
- Black Out of the Soul

This is the result of every believer at the point of Salvation Adjustment to the Justice of God being placed into union with Christ by means of the ministry of the Baptism of God the Holy Spirit.

**Salvation Adjustment to the Justice of God** – In the relationship between God and Man in Human History man must adjust to God and must do so according to the standards of the Righteousness of God under the auspices of the Justice of God. In other words man must

- Experiential – the believer’s progressive execution of the Spiritual Life in the Protocol Plan of God from Salvation Adjustment to the Justice of God to his physical death. ([John 17:19](#), [John 17:17](#))
- Ultimate – the believer receiving his Resurrection Body which glorifies The Lord Jesus, The Christ for all eternity. ([Phil 3:21b](#))

**Scar Tissue of the Soul** – This is the distortion of the soul as a result of persistent Negative Volition toward Bible Doctrine which results from Emotional Revolt of the Soul where the emotions no longer respond to the Right Lobe but now control it, Black out of the Soul where all previously metabolized Bible Doctrine is systematically erased and replaced by Human Viewpoint Evil of the plan and policy of Satan. This makes it unlikely that the believer will respond to Bible Doctrine at any time.

**Sin unto Death** – The death of the believer who has rejected God, Bible Doctrine and the Spiritual Life of the Church Age for function under the plan and policy of Satan, EVIL. This results in his no longer being useful in the Plan of God as a witness for the prosecution in the Appeal of the Angelic Conflict Trial therefore being taken out of this life by God under a system of maximum misery.

**Sophia** – Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul which is available and possible to use in application to life’s situations, conditions and experiences.

**Spiritual Adolescence** – The status of spiritual growth between spiritual infancy which occurs at Salvation Adjustment to the Justice of God and spiritual adulthood which occurs when the believer has accumulated enough Bible Doctrine in his Right Lobe of the Stream of Consciousness of the Soul to have developed Grace Orientation to life and Bible Doctrine orientation to reality. (See “[Progressions in the Spiritual Life](#)” for further clarification of stages of spiritual growth.

**Spiritual Adulthood** – The status of the believer who has accumulated enough Bible Doctrine in the Right Lobe to have developed and deployed the Adult Problem Solving Devices of a Personal Sense of Destiny, Personal Love for God the Father and Impersonal Love for Mankind onto his Forward Line of Troops of his soul. **Super Grace** – The Level of Direct Blessing for the believer who has reached Maturity Adjustment to the Justice of God where he receives 6 categories of EXTREME or SUPER Grace blessing from God as a result of his execution of the Protocol Plan of God. These blessings include Spiritual, Temporal, Association, Historical, Heritage and Dying blessings.

**Surpassing Grace** – The Level of Direct Blessing for the believer in eternity who has demonstrated his successes in execution of the Protocol Plan of God in time by accumulation of a maximum level of Metabolized Bible Doctrine into his Stream of Consciousness of the Soul and therefore is the recipient of unimaginable blessing and reward for all eternity.

**Temporal Adjustment to the Justice of God** – The process which is supposed to occur in the believer on a daily basis resulting in consistent and persistent Perception, Cognition, Incultation and Metabolization of Bible Doctrine to the point of Maturity Adjustment to the Justice of God and beyond.

**Undeserved Suffering for Blessing** – As the believer advances from spiritual infancy to Spiritual Maturity by the consistent accumulation of Metabolized Bible Doctrine in his Stream of Consciousness of the Soul, in order for this doctrine to be of any value to him in application to his life he must be able to access and use it. Therefore as different levels of spiritual advance occur different levels of testing are provided by God to allow the believer to use his accumulated Metabolized Bible Doctrine in application to the tests. This testing is designed to enhance and accelerate the spiritual advance of the believer and move him ever closer to completion of the Protocol Plan of God. This testing occurs as several categories and at different levels of intensity including 8 Systems or Levels of Testing in 9 Categories:

- **Basic Spiritual Testing** (3 Categories) – Old Sin Nature, Cosmic Dynasphere I & II
- **Providential Preventative Suffering** (4 Categories) – Preliminary Momentum Testing

**Wrongdoing** – Wrongdoing encompasses all sin which we either do not recognize as sin or have forgotten about after committing those sins. It is functioning outside the Plan of God with rejection of the power of the Spiritual Life given to us by The Lord. Wrongdoing encompasses such things as the sins involved with whitewashing the devil's world and greater involvement in the sins of the Interlocking System of Arrogance or Interlocking System of Hatred.

(cut the happiness from God out of your life) Among whom are Hymenae'us a gossip and maligner and Alexander, who keep on being in reversionism and under the influence of evil, whom I have delivered over to Satan in order that they might be taught the hard way by pain and discipline not to blaspheme.

2Cor 10:4-6; For the equipment and weapons of our conflict or warfare are not human attributes but the attributes of unseen divine power from Metabolized Bible Doctrine in the Stream of Consciousness of the Soul, and residence in the 8 gates of the power system of God the Divine Dynasphere, given by means of God in the Protocol Plan of God, against the destruction of Satan's fortifications or strongholds of EVIL, attacking, assaulting and demolishing Cosmic Dynasphere thoughts of thinking Human Viewpoint from demon influence and Human Good production and every subjective arrogant or proud thought obstacle of arrogance of the Cosmic Dynaspheres which attacks or is against the objective that is the knowledge of God in Divine Viewpoint, even making a prisoner of every Cosmic Dynasphere or Human Viewpoint system of thought bringing it under obedience to the authority of Christ, holding in readiness as an instant reaction force, garrisoning the soul with epignosis Bible Doctrine to punish every deviation or disobedience of reversionism from obedience of reversionistic Human Viewpoint, when your obedience of daily function of the Grace Apparatus for Perception has been fulfilled by attaining Maturity Adjustment to the Justice of God.

2Cor 10:8; For even if I should boast somewhat freely about our authority [the authority of the pastor in teaching doctrine], which the Lord gave for edification [building up the believer through doctrine] and not for destroying you [arrogance is destructive], I will not be ashamed of it.

2Cor 12:9-10; And then as a result, He (God) had communicated assuring me in the past with the result that I had this information metabolized, “My Super – Grace has been and keeps on for your advantage, being sufficient or always produces contentment for you, for the inherent omnipotent power of the Assets for the Spiritual Life and the Divine Dynasphere, has been and keeps on continuously being fulfilled by means of weakness, helplessness, being beyond using human assets in Preventative Suffering” (in Paul)”, therefore, ALL THE MORE GLADLY WITH GREATEST PLEASURE to the HIGHEST DEGREE, I, Paul, will, without conceit or vanity or arrogance dogmatically boast in the sphere of or about my weaknesses under Providential Preventative Suffering of Intensive Momentum Testing <sup>(5 Categories)</sup>, in order that the omnipotent power of Christ may for my advantage take up quarters or bivouac or pitch a tent upon or over me. Therefore, being self evident because in Status Quo Super Grace with the omnipotence of Christ taking up quarters on me, for Christ’s sake or on behalf of Christ, I find contentment in the sphere of weaknesses caused by helpless and hopeless situations of Providential Preventative Sufferings with the infirmities of physical illness and loss of health, in the sphere of insolence of insults or malignings, in the pressures and distress of needs or lack of the details of life from disasters, in the sphere of persecutions from religion or collective or individual legalism, in the sphere of distresses or anguish from disappointment in human relationships from those whom you love, in the sphere of all difficulties or stresses in life, for on the occasion when I am weak or helpless under Providential Preventative Sufferings, THEN at that time and only at that time, I keep on being strong.

2Pet 2:20-21; For if and it is true, unbelievers, after having already escaped from the ultimate source of defilement of the False Teaching Evil of the Cosmic Dynaspheres the Doctrine of Demons having rejected this false doctrine (1Tim 4:1), by means of the epignosis knowledge of our Lord and Savior Jesus Christ in the gospel, they are again involved, entangled or interwoven by this false Doctrine now listening intently as the result of a change in their Right Lobe of the Stream of Consciousness of the Soul and which they have rejected at {before} gospel hearing by their own Negative Volition and are {now} constantly overcome and defeated; the latter end or last state of {(ff) believer} reversionism has, from their own free will volition, become with permanent results far worse for them than the first of the unbeliever with common sense when they rejected false teaching, they now being minus all common sense. For it would have kept on being better for them, slave victims of false teaching, not to have fully known (epiginosko) the way of imputed righteousness of the gospel of Christ for salvation, than after having fully known, by free will, to turn away from authority of the holy or sanctified commandment (1John 3:23) having been delivered to them for their advantage.

OR v21 For it would have been better for the unbeliever never to have known the way of righteousness of epignosis gospel than having known the gospel to turn back from the holy commandment *for Salvation Adjustment to the Justice of God through faith alone in Jesus of Nazareth, The Christ alone* through Negative Volition, delivered to them in witnessing or evangelism.

And he said, 'I will do this: I will pull down my barns, and build larger ones; and there I will store all my grain and my goods. And I will say to my soul, Soul, you have ample goods laid up for many years; take your ease, eat, drink, be merry.' But God said to him, 'Fool! This night your soul is required of you; and the things you have prepared, whose will they be?' So is he who lays up treasure for himself, and is not rich toward God." And he said to his disciples, "Therefore I tell you, do not be anxious about your life, what you shall eat, nor about your body, what you shall put on. For life is more than food, and the body more than clothing.

Do not forsake her, Bible Doctrine, and she will preserve you; actively and aggressively love her, Bible Doctrine, and she will guard you. Prov 5:12-14; And you say Eek (an expression of disaster) “I have hated divine disciplinary warning from Bible Doctrine teaching and my right lobe has despised and ridiculing corrective punishment from warning divine discipline from God. {David was a Mature believer but was also Carnal and Ps 38 is his discipline, but Solomon was a Reversionist under the influence of Evil, both suffered but Solomon’s was much more intense (Eccl + S Sol)} Furthermore I have not listened, I have not obeyed the voice of my doctrinal teachers instructors (his father & Nathan), nor concentrated on their instructions, message of those who have faithfully taught me. (Negative Volition toward Bible Doctrine) Then shortly I was almost immediately in every kinds of evil ignoring Bible Doctrine in the middle of the worshipping congregation not listening to Bible Doctrine in the function of the nation and Laws of Divine Establishment.

She is loud and wayward, her feet do not stay at home; now in the street, now in the market, and at every corner she lies in wait. She seizes him and kisses him, and with impudent face she says to him: "I had to offer sacrifices, and today I have paid my vows; so now I have come out to meet you, to seek you eagerly, and I have found you. Prov 14:14; A perverse reversionistic man will be filled with the fruit of his own ways and finally begins to bore himself, and a good honorable mature believer from the Metabolized Bible Doctrine inside himself is not depending on emotion which depends on Metabolized Bible Doctrine in his Right Lobe.

Prov 15:1; A GRACE Answer, from a relaxed Divine Viewpoint Mental Attitude resulting from maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul and the Filling of God the Holy Spirit, always causes to turn away or removes YOUR wrath, but in contrast bitter words causes anger to rise or be stirred up in the maligners.

Prov 28:25; He that is of a proud, jealous, vindictive, vain, implacable, etc, heart, the believer with maximum Mental Attitude Sins and Self Induced Misery ruled by the Old Sin Nature being an insidious monster, intensively causes overflow of misery, strife or problems of some form, to others, but, in contrast, he, the believer with maximum Metabolized Bible Doctrine in the Right Lobe of the Stream of Consciousness of the Soul, who using the Faith Rest Drill (4 categories), puts his trust in the LORD will be enriched with a Relaxed Mental Attitude.

Ps 19:14; Let the words of my mouth and the meditation of my heart be acceptable in thy sight, O LORD, my rock and my redeemer.

Ps 23:4; Also, when in this life, I, *as a believer in Maturity Adjustment to the Justice of God*, walk through or in a valley overshadowed by physical death, I cannot, will not, and do not fear anything about the manner of my death, about harm, malignancy, sting of death, violence of death from another person's or any category of evil, because or since you, Jesus of Nazareth, The Christ as God, are with me (reciprocity), Your rod of Blessing from Divine discipline from the Justice of God and your staff of Blessing and protection from Divine Deliverance and Bible Doctrine from the Justice of God, They both console and comfort me.

Ps 23:5; You have deployed, prepared, a banquet table of maturity temporal and spiritual prosperity for my advantage and benefit in front of me in the presence and sight of my enemies; You have anointed my head with oil of noncancelable Promotion and advancement, the golden banquet cup of my prosperity capacity is full to the top and constantly overflows.

Ps 32:5; I will acknowledge or name or cite or cause to make know my sin to you God the Father and my guilt or sin I opened up to you OR I did not or WILL NOT cover up or hide my guilt or sin or depraved action, and I have decided or said to myself “I have been caused to acknowledge or cite or name my transgression to the Lord”, and YOU completely forgave or lifted up and carried away the Guilt or Depravity of my sin in Interlocking System of Arrogance. Selah, NOW REST and THINK ABOUT IT while GOD acts in Logistical Grace.

Ps 38:18; (his Halt) Therefore I will admit, cite, name, declare or acknowledge all my sin (not Human Good nor Evil), because of your grace, I am worried troubled, concerned, uneasy because of my sin against You (God)

Ps 51:1-4; Have mercy on me, O God, according to your steadfast love, mercy or grace policy; according to the greatness of your compassion blot out my transgressions. Wash away all my iniquity, and cleanse me from my sin! For I acknowledge my transgressions, and my sin is continually before me constantly in my face from what occurs in my installment discipline. Against you and you only, Oh God, I have sinned, I have manufactured from

Interlocking System of Arrogance what is evil in your sight, so that you are vindicated when you speak in judgment and justified when you pronounced judgment and perfect when you render a judicial decision.

Ps 55:21; His speech was smoother than butter but his Right Lobe of the Stream of Consciousness of the Soul was war or revolution with hate and cruelty, his words were more soothing than anointing oil but they were drawn swords.

Ps 97:12; Be happy in the Lord, O righteous one [the believer possesses God's righteousness], and give thanks for the memory of His holiness [divine integrity].

Ps 116:15; Precious, the number 1 priority, in the sight of the lord is the death of his set apart Godly ones in Maturity Adjustment

Ps 119:6; "I delight in doctrine; I will not forget Your word."

Ps 119:11; Your word have treasured I in the Right Lobe of the Stream of Consciousness of my Soul, that I might not make a false step against you or downgrade or throw away the treasure of Bible Doctrine.

Ps 119:130; The movement of your Bible Doctrine from my human spirit to my soul causes illumination of the doctrines, person, plan and purpose of God; it imparts understanding to the stupid who lack or have rejected Bible Doctrine.

Rev 3:14-20; "And to the messenger, future pastors of the church in La-odice'a write: 'The Amen, The Lord Jesus, The Christ the only savior, the God of doctrine and who controls human history, the faithful and true witness in the 1<sup>st</sup> Advent of the Grace of God, the ruler prince of God's creation of the Royal Family of God in the Church Age, communicates these things. I am cognizant of, have known your behavior and production in the Christian Modus Vivendi and Modus Operandi in the doctrinal content of your Stream of Consciousness of the Soul, that you are neither cold (unbelievers) nor hot (Mature Believers in the Divine Dynasphere). Oh would that you were either cold, unbelievers, or hot, Mature believers. So therefore because you are Lukewarm reversionistic believers in the Cosmic Dynaspheres and carnal, apostate, evil servants of satan, in fact neither cold, unbelievers, nor hot, mature believers, I am about to vomit you out of my mouth administering the Sin unto death. Because you say, I am rich, I have prospered, in fact I have become very wealthy in the prosperity test, and I need nothing (Flunking the Prosperity Test with Wrong priorities); In fact you do not know that you are miserable without capacity for prosperity living in the Cosmic Dynaspheres, and despicable, insignificant, pitiful no happiness from prosperity living in the Cosmic Dynaspheres and impotent, poor, beggardly with spiritual poverty and weakness in the Cosmic Dynasphere lacking capacity for prosperity, and blind without Perception, Cognition, Inculcation and Metabolization and Application of Bible Doctrine in the Cosmic Dynasphere, and naked without uniform of honor with no virtue nor integrity in the Cosmic Dynasphere. Therefore I, The Lord Jesus, The Christ through John, counsel or advise you for your benefit, to begin to buy or purchase, for re-entrance into the Divine Dynasphere from Perception,

Cognition, Inculcation and Metabolization and Application of Bible Doctrine, from me something of value manufactured from the gold of Bible Doctrine the thinking of The Lord Jesus, The Christ, refined though the HEAT of FIRE of inspiration and canonicity, in order that you may potentially become spiritually and materially prosperous in Maturity Adjustment to the Justice of God Super Grace, and to wear white garments of the uniform of honor preceding the eternal uniform of glory in order that you may clothe yourself residing in the Divine Dynasphere, and by so doing the terrible shame, embarrassment and confusion of your disgraceful, horrible, spiritual nakedness, lacking the uniform of honor while residing in the Cosmic Dynaspheres in time may not be revealed at the Judgment Seat of Jesus Christ, and colium the eye salve of historical trends to rub in your eyes for the understanding of historical trends over a period of time. Those whom I love, I punish and correct by Divine Discipline; therefore being lukewarm in reversionism, GET HOT, REPENT or change your mind about Bible Doctrine and recover and advance to Maturity Adjustment to the Justice of God. Behold, I have stood at the door and keep on knocking with warning Divine Discipline; if any one has heard my voice in Bible Doctrine and has opened the door through daily function under the Grace Apparatus for Perception, I will enter face to face with him and have dinner or fellowship with him, and he with me.

Rom 1:18-23; Because Just Moral Anger, protecting from evil, from God, is being revealed from the Supreme Court of Heaven against all acts or thoughts of nongodliness (Ungodly), and AntiJustice of mankind from Salvation Maladjustment to the Justice of God, heathenism, of those who suppress or reject the Truth of God or the Salvation Gospel, through Antijustice Unrighteousness of salvation maladjustment to the Justice of God, Because, the reason for the wrath of God due to Negative Volition at God Consciousness and Gospel Hearing, what is known about The God, Jesus of Nazareth, The Christ, at God Consciousness, is conspicuous, manifest, evident, perceived and perspicuous, clearly understood, within them, or Revealed in their soul. For THE God made it evident or has revealed himself to them for their advantage (Unbelievers - 5 systems of perception or mechanics of God Consciousness). For since the creation of the world his own invisible attributes, his eternal power, his divine nature or the Essence of God have been clearly perceived being perspicuous and clearly understood through things which he has created, namely both his eternal power the omnipotence of God, and his divine nature or essence, for the purpose of being or so that they, the whole Human Race, are without excuse or defense against the Justice of God at God consciousness. Because (the reason for the wrath of God toward those maladjusted to the Justice of God at salvation) when they knew God as a result of the common grace ministry of God the Holy Spirit at gospel hearing, they did not honor with Positive Volition and Faith alone in Christ as God, nor did they feel obligated to thank him, in fact as a result of their negative volition or maladjustment to the Justice of God, they received worthless evil thoughts in their evil deliberations or rationalizations, and their deliberately ignorant right lobe receives darkness in the past and present. Although they claimed to be wise, involved in the Interlocking System of Arrogance, they became fools, saltless, insipid [These are Smart People who are DUMB] their right Lobe receives darkness although they claimed to be wise. And they, the unbeliever reversionists, exchanged the Glory or Essence of the Incorruptible, Imperishable, Eternal God in Idolatry for an image or copy in the form or appearance of corruptible, mortal, perishable mankind, and soaring birds and powerful quadrupeds and snakes and reptiles resulting in degenerate Humanizing of God.

Rom 2:14-15; "in that they show the work of the law printed [written] in your hearts [right lobes], their conscience confirming the testimony and their thoughts alternately accusing or else defending themselves."

Rom 3:20; Therefore by means of the works of the law, no flesh or human being shall ever be vindicated or justified before or in the presence of the Integrity of God, for through the Mosaic Law is full knowledge or consciousness or discovery of sin.

Rom 3:21-28; But now the Righteousness of God as part of the Integrity of God, apart from the law has been revealed or made known, being confirmed by the law and the prophets in the Old Testament Scripture. That is the Absolute Righteousness of God, part of the Integrity of God, through faith in Jesus Christ for everyone in the Human Race who express nonmeritorious faith. (Parenthesis) For there is no distinction between spiritually dead

Jews or Gentiles; All mankind have done wrong or sinned and come short of the glory of the Essence of God (Parenthesis) Receiving vindication or justification gratuitously as a gift without payment by means of the instrumentality of his consistent grace, through or by means of the redemption or purchase of slaves or by paying ransom, which is in Christ Jesus. Jesus of Nazareth, The Christ whom The God the Father has appointed or publicly displayed or predetermined that which propitiates or expiates, as The Mercy Seat of the Ark of the Covenant, through faith in Jesus of Nazareth, The Christ as instant Adjustment to the Justice of God, by means of his blood the work of Jesus of Nazareth, The Christ bearing our sins and being judged by God the Father. For a demonstration of his, God the Father's Righteousness ½ of His Integrity, because of the passing over of the previously committed sins from the Old Testament Scripture times because of the holding back or delay of judgment or clemency from The God Face to face with or For a demonstration of his Righteousness ½ of the Integrity of God at the present decisive epoch of time of crisis the Church Age where Israel cannot be a client nation, in order that he might be just having consistency of justice, even when he justifies, vindicates or declares righteous anyone by means of or anyone who has faith in Jesus of Nazareth, The Christ. Where then, considering what has been stated before, is that boasting? It has been shut off or shut out or excluded in the past and is continually or perpetually. By what principle or rule governing our actions is boasting excluded? By that principle of works? Definitely NOT but by the principle of faith. Therefore we, mature believers strictly logically conclude expressing the facts without emotion then that mankind is justified or vindicated acquiring the Righteousness of God by faith alone in Jesus of Nazareth, The Christ alone apart from or without the deeds or works of law.

Rom 6:12; Therefore STOP letting the Old Sin Nature to continue ruling, after Salvation Adjustment to the Justice of God, with absolute sovereignty or authority in your mortal bodies, that you should obey the same Old Sin Nature with its trends toward sin, Human Good and Evil.

Rom 6:13; Neither or do not, place your body's members, including your hands, feet, tongue and brain, under orders as weapons of unrighteousness, in sin, Human Good or evil, in service to the Old Sin Nature; but consistently place yourselves, through the chain of command of Bible Doctrine, under orders to the God as those who are perpetually alive, under Retroactive and Current Positional Truth, from deaths, and the members of your body, including your brain, as weapons of righteousness to the God.

Rom 8:16; It is God the Holy Spirit, himself, testifies or confirms as witness along with another witness or together with our Human Spirit that we are children of God the Father under authority to learn and having a lot to learn being taught by God the Holy Spirit,

Rom 9:1; I, Paul (through honor and integrity, with great emotion), continuously communicate the truth of doctrine in Christ in the mystery doctrine of the New Testament Scripture, I absolutely am not lying or misrepresenting Bible Doctrine, my conscience also bearing witness in joint testimony with me in God the Holy Spirit.

Rom 12:1; Therefore, I (command) urge, encourage, exhort, seek to persuade you, NOW, believers in the Royal Family of God, by means of God's rational compassionate sympathetic mercies of grace blessing from the Justice of God, that you constantly place your bodies under orders as a living holy sacrifice, by using the rebound procedure constantly and the resultant Filling of God the Holy Spirit, this is acceptable and well pleasing to our God; which is your rational and spiritual service or worship.

Rom 12:3; For I say, through the grace which has been given to me, to everyone who is among you, stop thinking of self in terms of arrogance beyond what you ought to think, but think in terms of sanity for the purpose of being rational without illusion, as God has assigned to each one a standard of thinking from doctrine.

Rom 13:5, "Therefore, it is necessary to be in subordination, not only because of wrath [law enforcement], but also for conscience sake."

Rom 16:17-18; Now I, Paul, urgently keep on appealing to, exhorting, comforting, encouraging, beseeching or energetically urge you advancing or mature Believers in the Royal Family of God, keep your eyes on or mark or be discerning or take critical notice of being alert with regard to, those weak believers who keep on causing dissensions, divisions, apostasies and temptations or strife and hindrances or offenses, trapping by causing enticement of people to get out of fellowship contrary or in opposition to the Bible Doctrine which you have consistently learned from a Pastor Teacher, IN FACT, keep avoiding, shunning, separating yourself or turning away from them. For such reversionistic believers as these Troublemakers, do not obey or serve as slaves to our Lord Jesus of Nazareth, the Christ but their own hollow emotional, empty, hidden responder patterns serving themselves, and by good, gracious, pleasant, bland, clever words or sweet speaking masking a fraudulent purpose and clever speeches or smooth and flattering speech of hypocrisy of false teachers deceive or seduce away from truth into error, the Right Lobe of the Stream of Consciousness of the Soul of those ignorant of Bible Doctrine.

Tit 1:15; To the pure, all things are pure; but to those who are defiled and unbelieving, nothing is pure, but both their thinking and their Conscience is defiled.

Tit 2:1-3; But, in contrast, you and only you Titus, keep on communicating proper, suitable, befitting, correct, accurate, healthy, sound doctrine. In order that the male believers old in years be temperate in use of alcohol, alert, attentive to circumstances or consequences with self discipline, vigilant, honorable, admirable, sensible, stabilized in mind, sound or accurate by means of faith and Metabolization of Bible Doctrine into the Right Lobe, by means of a Relaxed Mental Attitude, by means of consistency in the Faith Rest Drill (4 categories) in old age. In order that the older women in the same manner have behavior, deportment or demeanor befitting sanctification in erection of the Edification Complex of the Soul, not to be maligners, gossips or slanderers nor enslaved to alcoholic beverage; but be honorable teachers or communicators of the good things of Bible Doctrine
